

GOD'S GARDEN

*God looked around His garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.
He put His arms around you
And lifted you to rest,
God's garden must be beautiful
He always takes the best.
He knew that you were suffering.
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough,
And the hills were hard to climb.
So He closed your weary eyelids,
And whispered "Peace be Thine".
It broke our hearts to lose you
But you didn't go alone
For part of us went with you
The day God called you home.*

God's Garden of Grace Helen Steiner Rice,2002 'God's Garden' Ethel Saunders,1929 There is a Flower in God's Garden Amos Jordan,2022-04-11 There is a flower in Gods Garden is Inspired by events working alongside the dying and caring for the sick and elderly Amos writes from the heart in this small but powerful book of poetry Poems here in traverse things such as Love faith hope wonder courage wisdom mysticism inspiration and prayer This book shows our connection with a God that cares who is always there and near to help us Amongst the mists of life we so often feel adrift alone and confused we are as if swimming in the myriad of experiences and circumstances we find ourselves in Life can be at times complicated depressing and discouraging A question we sometimes ask is How can we face the burdens that we must carry through life God reminds us though that there are always ways through our events only God can provide the clues to the answers we seek This book also covers thoughts relating to religion Christianity and poetry in general with a New Zealand and Oceanian perspective

God's Garden Caroline Elliot Hoogs Jacobs,1933 **Gardens of the Gods** Christopher McIntosh,2004-10-29 Gardens of the Gods reveals the symbolic language of garden design exploring the gardens of China with their moon gates and immortal rocks the Zen gardens of Japan the paradise gardens of Islam those of Renaissance Italy with their richly mythological imagery the landscaped parks of England the gardens of New Harmony in the US and some striking modern examples of symbolic gardens including the Tarot Garden of the sculptress Niki de Saint Phalle in Italy This illustrated book also includes a chapter with suggestions for creating a garden of meaning and a selected catalogue of plants with symbolic or

mythological associations Based on ten years of research travel and curiosity this text is also the result of a personal quest to reveal the mystical codes written in the astonishing worlds of gardens worldwide **Poetry for God's Glory** Bernadette N. Fordyce, 2019-03-09 In the world today some believe in evolution This has given cause for a lot of confusion The Big Bang theory is just man's opinion the Bible In Genesis gives an authentic account of creation This inspired book chronicles how all things began And still exists in the air in the seas and on land All came into being by the word of God's command Only man the crowning act of creation was made by his hand From the dust of the earth with his breath he gave man life Put Adam to sleep took a rib And fashioned for him a wife God created man in his own image and likeness specifically As in his word it is described fearfully and wonderfully The only creatures he gave wisdom dominion and authority Endowed with knowledge to think and speak intelligently Yet many are still saying man is a descendant of monkey Perverting God's gift to promote evolution's false theory His word informs man God created in the beginning All doubts and disbelief came about as a result of sin There is enough evidence in creation to put our trust in Not one of God's children should question their origin God's Garden C. Nobbs, 1931 God's Garden and Other Poems Charles Ernest Harvey Jacobs, 1933 **Poems of Faith in the Garden of Hope & Grace** Tracy Matarazzo, 2020-03-18 God knew the deceitfulness of Satan and the outcome in the Garden of Eden why then did He plant the Tree of the knowledge of good and evil It is a question that has been asked for centuries In her book Poems of Faith in the Garden of Hope and Grace the author writes in her first poem Genesis that God created all things good the way He envisioned it He is omniscient all knowing God the Creator had the solution to mankind's fall before He established the universe He knew He'd present Himself on the cross and destroy the work of the devil These poems speak of God's hope and grace how we can take our stand against the enemy and how one day He'll reestablish a new Paradise

The Garden of Divine Songs and Collected Poetry of Hryhory Skovoroda Hryhory Skovoroda, 2018-01-01 Hryhory Skovoroda is considered by many as the first great Slavic philosopher and poet Written over a period stretching from the 1750s until 1785 his The Garden of Divine Songs is a unique collection of 30 poems featuring a complex system of strophic structures and with only a few of the songs written in a traditional way Skovoroda never repeats one and the same strophic structure this being the case his Garden of Divine Songs according to writer scholar Valery Shevchuk functions as a practical guide to the art of poetry exemplifying all the meters and strophic patterns that were possible in Ukrainian poetry of that time The poet makes masterful use of the accomplishments of academic poetry the so-called songs of the world are the most prominent poems in this collection These songs are an expression of Skovoroda's views in poetic form and many ideas from The Garden of Divine Songs such as the search for happiness in the world in song 21 would later form the basis for some of Skovoroda's philosophical treatises Skovoroda's originality and his ability to approach the most cardinal problems of human existence stem from his capacity to combine known motifs borrowed from literary sources such as classical texts the Bible and ancient Ukrainian poetic works with his own system of thinking that focuses on his philosophy of the heart The complete

poems of Skovoroda are appearing in their entirety here in English for the first time accompanied by a guest introduction by prominent Ukrainian writer Valery Shevchuk This title has been realised by a team of the following dedicated professionals Translated by Michael M Naydan with an introduction by Valery Shevchuk Translations Edited by Olha Tytarenko Maxim Hodak Publisher Max Mendor Director Ksenia Papazova Managing Editor **God's Garden and Other Poems by C. Lees, 1922 LaMore Poetry Tyler Hoey, 2023-02-09 Tipping transverse opportunity for all starting and ending with new beginnings birth into maturity Glory in peaceful new clear ideas lending voices out to smooth a stone or line up exact opposite cloud filled horizons to extend the day life of animals coexist with other animals and people with other people leaving footprints of gain to end up in succession with all other beings Triggering instinctive points in movement and pathological thinking to guide us distinctively and insightfully into the future left with neutering nature God's intention to spring life and light shine upon all those in the circle of life and to make it glow all around us
