

Basketball

The squeak of sneakers
The pounding of feet
The sounds on court
Are just so sweet.
The dribble of balls
And my teammate's calls
Every cheer
Brings happiness to my ear.
There are many sounds
But the one I like the best

Is probably the swish
Of the ball through the net.

Masterplots II. Philip K. Jason, Tracy Irons-Georges, 2002 Comprehensive coverage of the most commonly studied poems written in or translated into English Multicultural Poetics Nissa Parmar, 2017-12-21 Argues that multiculturalism and hybridity are key components of the nation's poetry and its culture Multicultural Poetics provides a new perspective on American poetry that will contribute to the evolution of contemporary critical practice Nissa Parmar combines formalist analysis with cultural studies theory to trace a lineage of hybrid poetry from the American Renaissance to what Marilyn Chin deemed America's multicultural renaissance the blossoming of multicultural literature in the 1980s and 1990s This revisionary literary history begins by analyzing Whitman and Dickinson as postcolonial poets This critical approach provides an alternative to the factionalism that has characterized twentieth century American poetic history and continues to inform literary criticism in the twenty first century Parmar uses a multiethnic multigender method that emphasizes the relationship between American poetic form and cultural development This book provides a new approach by using hybridity as the critical paradigm for a study that groups multiethnic and emergent authors It thereby combats literary ghettoization while revealing commonalities across American literatures and the cross fertilization that has informed their development Parmar demonstrates her mastery of the immense body of scholarship devoted to the poetic lineage Multicultural Poetics engages She writes with elegance and tact and displays her ability to simplify several concepts liminality the third space interstitiality of the most confounding of contemporary theorists Donald E Pease author of *The New American Exceptionalism*

Listening to Poetry Jeremy Trabue, 2025-09-01 A sad thing happens to most people somewhere between preschool and college we unlearn our natural love of poetry a love rooted in sound and surprise pattern and play discovery and delight That loss is a tragedy that this book aims to reverse Based on fifteen years of teaching and dedicated to the belief that rigor and accessibility are compatible *Listening to Poetry* takes nothing for granted and builds students confidence and skills from the ground up It uses innovative student centered and process based approaches including practical how tos and skill focused exercises for every subject covered Poems don't have to be approached like riddles to be solved codes to be cracked or prisoners to be interrogated There is a better way and it starts right here Don't take our word for it though Listen to students who've read this book I need to give full appreciation to this book for my new found love of poetry I have found myself a new hobby Before this book I was overwhelmed by poetry and felt I would never be artistic enough to create or analyze it Now I feel very comfortable and am excited to continue my appreciation for the art I have found my love for poetry from reading this book I have learned how to read poetry and how to understand it Poetry Comprehension, Grades 6 - 8 Schyrlet Cameron, Suzanne Myers, 2016-01-04 Poetry Comprehension for grades 6 to 8 focuses on the reading standards for ELA to help your students improve comprehension skills With this book students will acquire and apply the skills necessary for analyzing interpreting and evaluating poetry Mark Twain Media Publishing Company specializes in providing engaging

A Study Guide for Sherman Alexie's "Defending

Walt Whitman" Gale, Cengage Learning,2016 **Ball in My Hands** David K. Wiggins,2025-03-27 When David K Wiggins released his first anthology of previously published essays on race and sport in 1997 African American athletes were receiving more popular interest and scholarly attention The growth of sport history as an academic discipline combined with an increased interest in Black life and history had led to the publication of numerous biographies of African American athletes studies on Negro League Baseball and one survey text on the Black athletic experience to name a few Almost thirty years later Wiggins s second anthology is a comprehensive collection that examines the complex intersection of race sport and American culture discussing the experiences challenges and victories of Black athletes throughout the twentieth century Featuring eleven previously published essays Ball in My Hands Black Athletes Race and American Culture weaves storytelling and scholarly discussion together in its exploration of well known figures like Olympic decathlon champion Milt Campbell professional tennis icon Arthur Ashe Olympic sprinter Vince Matthews civil rights activist Harry Edwards basketball legend Kobe Bryant and more In his final essay Wiggins reflects on his experiences as a White scholar who has spent his forty year academic career analyzing and writing about experiences of African Americans in sport and the interconnection among race sport and American culture With an original introduction and a foreword from Damion L Thomas Museum Curator of Sports at the Smithsonian s National Museum of African American History and Culture Ball in My Hands is not simply a collection of biographies on individual athletes or write ups on athletic institutions rather it offers a wide ranging discussion of the history and meaning of African American sport that will engage not only scholars of African American history and sport history but educators sports enthusiasts and general readers alike **Collected Poems of John Updike, 1953-1993** John Updike,2012-04-25 The idea of verse of poetry has always during forty years spent working primarily in prose stood at my elbow as a standing invitation to the highest kind of verbal exercise the most satisfying the most archaic the most elusive of critical control In hotel rooms and airplanes on beaches and Sundays at junctures of personal happiness or its opposite poetry has comforted me with its hope of permanence its packaging of flux Thus John Updike writes in introducing his Collected Poems The earliest poems here date from 1953 when Updike was twenty one and the last were written after he turned sixty Almost all of those published in his five previous collections are included with some revisions Arranged in chronological order the poems constitute as he says the thread backside of my life s fading tapestry An ample set of notes at the back of the book discusses some of the hidden threads and expatiates upon a number of fine points Nature tenderly intricate ruthlessly impervious is a constant and ambiguous presence in these poems along with the social observation one would expect in a novelist No occasion is too modest or too daily to excite metaphysical wonder or to provoke a lyrical ingenuity of language Yet even the wittiest of the poems are rooted to the ground of experience and fact Seven Odes to Seven Natural Processes attempt to explicate the physical world with a directness seldom attempted in poetry Several longer poems Leaving Church Early Midpoint use autobiography to proclaim the basic strangeness of existence

Assessing Students with Poetry Writing Across Content Areas Sarah J. Donovan, Kim Johnson, Anna J. Small Roseboro, Barbara Edler, Gayle Sands, 2025-09-01 Assessing Students with Poetry Writing Across Content Areas reimagines formative assessment by advocating for a dynamic poetic approach that delves into students meaning making processes It is a guide for teachers seeking innovative approaches to formative assessment promoting a holistic creative reflective and collaborative learning environment It challenges the limitations of traditional worksheets and quizzes urging educators to move beyond seeking restrictive answers and embrace students texts as pathways to understanding The authors put forward poetry as a vigorous tool and writing poetry as an act to foster deep learning across content areas Practical examples of acrostic poems haiku and pantoum demonstrate the adaptability of poetic forms to diverse subjects Through adaptable lesson plans that can be used across history math world languages ELA and science the book encourages intentional poetic writing to learn activities and explores how poetry might present itself as a short creative assessment tool that helps teachers see what their students know and can do while also offering them the space to make new meaning in their original poetry This book is a key resource for in service educators teaching grades 6 12

Dust Off the Gold Medal Sara L. Schwebel, Jocelyn Van Tuyl, 2021-08-23 The oldest and most prestigious children s literature award the Newbery Medal has since 1922 been granted annually by the American Library Association to the children s book it deems most distinguished Medal books enjoy an outsized influence on American children s literature figuring perennially on publishers lists on library and bookstore shelves and in school curricula As such they offer a compelling window into the history of US children s literature and publishing as well as into changing societal attitudes about which books are best for America s schoolchildren Yet literary scholars have disproportionately ignored the Medal winners in their research This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s interrogating the disjunction between the books omnipresence and influence on the one hand and the critical silence surrounding them on the other Dust Off the Gold Medal makes a case for closing these scholarly gaps by revealing neglected texts insights into the politics of children s literature prizing and by demonstrating how neglected titles illuminate critical debates currently central to the field of children s literature In particular the essays shed light on the hidden elements of diversity apparent in the neglected Newbery canon while illustrating how the books respond sometimes in quite subtle ways to contemporaneous concerns around race class gender disability nationalism and globalism

The Image and Influence of America in German Poetry Since 1945 Gregory Divers, 2002 Examines the image of the US in German poetry and the reception and influence of American poetry in Germany since 1945 This book focuses on the image of the US in German poetry and the reception of American poetry in Germany since 1945 Gregory Divers examines poems by major figures in 20th century German literature Benn Brecht Bachmann Jandl and Grass among others and by other poets who shaped America s

postwar image in Germany *Divers* traces America's postwar status in Germany from the prisoner of war poems of G nter Eich to the pop poetry of Rolf Dieter Brinkmann and Peter Handke Continuing he finds that although the 1960s protest poems of Erich Fried and others reflect the tarnishing of America's image due to Vietnam 1970s travel poems by Brinkmann Kunert and Kunze confirm the resiliency of that image Finally *Divers* looks at poems by Hartung Delius and Kling to illustrate the new heights reached by America's image within German literary circles during the 1980s and the status of America in Germany after reunification In charting these developments in postwar German poetry *Divers* also shows how American influences are crucial to its understanding not only surveying postwar German reception of Whitman Eliot Pound and William Carlos Williams but also examining the influence of such figures as Charles Olson and Robert Creeley Allen Ginsberg and the Beats Frank O Hara and John Ashbery and Robert Lowell and Sylvia Plath Gregory *Divers* is Assistant Professor of German at Saint Louis University

Rezballers and Skate Elders David Kamper, 2025-06 Ethnographer and American Indian studies scholar David Kamper examines how Indigenous youth and adults are making basketball and skateboarding meaningful to their communities by sustaining the transmission of intergenerational knowledge and combatting intergenerational trauma Kamper looks at how the events and tournaments built around rezball are similar to powwows in how they bring people together across localized communities and generations and he coins the phrase skate elders for those who use the social nature of skateboarding to build community and mentorships Through a broad picture of North America Kamper demonstrates how Native peoples have long indigenized cultural practices and material culture to assert Native sovereignty creating joy and hope in the process In *Rezballers and Skate Elders* Kamper considers how Native expressions of basketball and skateboarding show continuities with the historical transformation of practices that originated outside Indian Country to make them meaningful in Native life David Kamper is a professor of American Indian studies associate director and cofounder of the Center for Skateboarding Action Sports and Social Change and cofounder of Surf Skate Studies Collaborative at San Diego State University He is the author of *The Work of Sovereignty Tribal Labor Relations and Self Determination at the Navajo Nation* and coeditor of *Waves of Belonging Indigeneity Race and Gender in the Surfing Lineup*
