

My Neighbor's Dog

my neighbor's dog is purple -
my neighbor's dog is purple,
its eyes are large and green,
its tail is almost endless,
the longest i have seen.

my neighbor's dog is quiet,
it does not bark one bit,
but when my neighbor's dog is near,
i feel afraid of it.

my neighbor's dog looks nasty,
it has a wicked smile....
before my neighbor painted it,
it was a crocodile.

Nurturing Your Child's Math and Literacy in Pre-K-Fifth Grade Mary Mueller, Alisa Hindin, 2016-11-23 With recent changes in the curriculum and standards in language arts and mathematics parents often are challenged to find ways to help their children be successful in their learning endeavors While parents want to be involved in their children's education they are often unsure of their role in

their children's learning and the best ways to help their children to succeed academically. Moreover, with the changes in how math and literacy are being taught, parents often struggle with helping even first-grade children with their homework. In this book, we set out to alleviate this struggle by offering parents a resource they can use to navigate their child's education, communicate with teachers, and support their children in learning mathematics and literacy. After providing an overview of the current educational climate and tips for communication with teachers, we share strategies and suggestions parents can use to assist their children in language arts and mathematics. We provide detailed descriptions of activities, games, books, and conversations that connect with what children will be learning at each grade level.
