

Oh To Die

Seeing for someone who is sick
Is a very difficult thing to do
I just want you to know
How proud I am of you.

Don't give us family of yourself
Without us with you.
Some of the nights were very long
But you didn't ever let me.

But now I know what it was like
When you brought me into this world.
Your strength made me feel so strong.
Now we have learned from your eyes.

We will thank you just don't ever enough.
We express my gratitude.
A thought of you always makes me smile.
And will always lighten my mind.

God's love, love, compassion, mercy.
Just barely touches your heart.
You are never to be replaced.
By anything in this world.

Olympic Games as Performance and Public Event Arne Martin Klausen,1999 Discusses how the winter games related to Norwegian culture and ethos **The Soul of Poetry Inside Kim-Van-Kieu** Thuy Lexuan,2010-12 Kim Van Kieu for centuries has been regarded by the Vietnamese as the most beautiful jewel in painting the sentimental tenderness of the human soul Edited in the early 1813 s this masterpiece of 3250 verses was structured in a particular form of prosody that has become since then a cherished anthem of Vietnamese poetry The story concerns a maiden endowed with mental and bodily graces an elite who placed between love and filial devotion deliberately chose the harder way she sold herself to save her father a victim of an unjust calamity And from that day on she passed from one misfortune to another until she sank into the most abject depravity But like the lotus after a long chain of stormy winds she succeeded in elevating herself and preserving the pure perfume of her original soul Homesickness seemed to carry away Her soul toward the forlorn clouds of Tsin My poor old parents Both now must be quite old Since my departure has their grievance Subsided any as time went by So fast more than ten years out of sight If they still live maybe their skin Has been wrinkled and their hair has turned gray Like frost covered as it had never been And the old love Regretful I may say Like the lotus torn off from its stem Though their former binding had been broken The feelings Kieu had conceived for Kim Seemed to still have a slight venation Kim Van Kieu 1963 Edition English translation by Professor Le Xuan Thuy had given the Western readers a chance to taste the delights of a new style of poem in prose version of Vietnamese poetry into English Forty six years later came into light a fresher gem with a more inspired form The Soul of Poetry inside Kim Van Kieu a vibrant versification of Kim Van Kieu by Professor Le Xuan Thuy himself well known online as international poet Hall of Fame Thuy Lexuan ASO **The Twentieth Century in Poetry** Peter Childs,2008-01-28 Until now most teaching has focused on the novel as the most useful way of raising issues of gender ethnicity theory nationality politics and social class In The Twentieth Century in Poetry Peter Childs places literature in a wider social context and demonstrates that all poetry is historically produced and consumed and is part of our understanding of society and identity This student friendly critical survey includes chapters on the Georgians First World War poetry Eliot
