Poetry Analysis Worksheet

For this project you will read and analyze "Reapers" by Jean Toomer.

Black reapers with the sound of steel on stones
Are sharpening scythes. I see them place the hones
In their hip-pockets as a thing that's done,
And start their silent swinging, one by one.
Black horses drive a mower through the weeds,
And there, a field rat, startled, squealing bleeds,
His belly close to ground. I see the blade,
Blood-stained, continue cutting weeds and shade.

The following guiding questions will help you uncover the meaning of the poem as well as the poetic techniques and devices. The analysis will assist your team in completing the Wiki in Blackboard.

1. What does the title of the poem suggest to you?

2. What is literally happening in the poem? Answer the following questions:

- Who is the subject of the poem? _____
- What is actually happening in the poem?

- What is the setting of the poem? When? Where?

3. What do you think the poem means figuratively? Think about the meaning of the poem, not just the obvious meaning of each word but what they mean beyond the literal. Do these words suggest something else?

- Why do you think the author wrote the poem?
-
