Poets Of The Younger Generation:

Poets of the Younger Generation William Archer, 1902 *Poets of the Younger Generation (Classic Reprint)* William Archer, 2015-07-11 Excerpt from *Poets of the Younger Generation* This book was ready for the press in the autumn 1899 when the outbreak of the war in South Africa led to the postponement of publication Two years and such years are a long time There is nothing in the book that I do not believe to day as I did two years ago but there are many things which were I writing to day I should express differently For instance several poets who in 1898 99 were still more or less on probation are now on probation no longer and the tone of advocacy which I have here and there adopted may perhaps seem uncalled for It is not my fault however that the great critic Time has in these cases been beforehand with me I tried to anticipate his judgment he has turned the tables and anticipated mine A few additions have been made to the text in the interim but the book stands substantially as I wrote it in 1898 99 Mr E C Stedman s Anthology of American Poetry with its 580 names for the most part of living writers has shown me how superficial has been my survey of the transatlantic field But it has also shown me the hopelessness of attempting to do more than cull a flower here and there in so vast and luxuriant a prairie About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **POETS OF THE YOUNGER GENERATION** WILLIAM.
