A Brief (BUT still Pointless) extract about the Problems with Bad mercenary names...

Maybe the rest of the team misheard
Stallone when he was recruited
there?

There's a COOP chance? I doubt. Stalone himself understands what he's saying half the time, let alone someone else who has to decipher his cryptic utterances.

Pointless Conversations The Expendables English Edition:

Pointless Conversations: The Expendables Scott Tierney, 2011-05-25 Pointless conversations a selection of daft ridiculous and utterly pointless meanderings from the mind of Scott Tierney If you've ever wanted to know the answers to why Superman is a coward why Spiderman should technically be deformed and if Superdog caused the death of Krypton then these bite sized comics will reveal all The discussions may be insane and most of what is said is rambling but despite this you may find yourself agreeing with most of what is said It's a fair point where does Spiderman store all that web **The Best of Pointless Conversations** Scott Tierney, 2011-12-20 Pointless Conversations The Best of Issues 1-6 Packed with cartoon laughs stupid ideas and the utterly ridiculous this compilation of extracts from the first six issues features the best of Pointless Conversations as well as some fresh material The hand picked topics discussed by the two loveable idiots involve Is Superman a cowardly alien taken from Superheroes Is Back to the Future's Doc Brown a time travelling psychopath taken from Doctor Emmet Brown What is an ionising bulb and does it actually harness the power of awesomeness taken from Lightbulbs and Civilisation The evil Maid Marion and is a fish in the neck funny taken from The Expendables Is it really dangerous for pregnant women to sit down taken from The Fifth Element Is using the toilet on Star Trek's Holodeck bad for your health taken from The Big One **Pointless Conversations - The Afterthoughts Collection** Scott

Tierney, 2017-02-24 In this latest selection of Pointless Conversations the previous 12 eBooks and their diverse eclectic and unequivocally stupid topics are discussed and reassessed once more Is Superman still a cowardly extraterrestrial Are Holodecks more of a danger to our bowels than we once thought Is it wrong to steal Bacon from Liam Neeson and are some breakfast cereals racist All these truly essential questions and more are answered or at least attempted in Pointless Conversations The Afterthoughts Collection **Walk Tall** John Peel, 2014-03-25 Australia in 1962 committed 30 Army

instructors to train the emerging Army of the Republic of Vietnam ARVN with the aim of enhancing a military alliance with the United States of America The training task continued for 10 years and involved 990 Australians and 10 New Zealanders as the war escalated This account reflects the experiences of an unlikely member of the Australian Army Training Team Vietnam AATTW who became the last Australian Warrant Officer to serve with the highly regarded 1st ARVN Regiment With the benefit of hindsight the author describes the culture and character of the ARVN Soldier against a background of military and religious distinctiveness which characterised the 2nd Battalion of the famous Regiment Using readily available research through the filter of personal experience he points out that ill informed sometimes corrupt decisions impacted heavily on the ARVN soldier and his family as Washington and Saigon went their separate ways The US Army withdrawal was preceded by one of the biggest battles of the Vietnam War Lam Son 719 which had inconclusive results even though the ARVN and the PAVN achieved their objectives However the US Army suffered an unbelievably high loss of helicopters and equipment and the death of outstandingly brave aviators during a 45 day period These losses were sufficient to require a total review of US

Air Cavalry tactics For the people of South Vietnam the shock of the high casualty rate was great but even worse for the first time ARVN soldiers bodies could not be extracted and were left on the battlefield which for family members was inexcusable Losses for the Peoples Army of Viet Nam more than doubled the ARVN casualty rate Despite the fighting qualities of the ARVN it was the soldier who became the eventual victim of the political war The highly regarded Australian Lieutenant General Sir Thomas Daly KBE CBE DSO wrote that members of the AATTV could walk tall in any company so too can the members of the 1st ARVN Regiment
