International Handbook on Education in Southeast Asia Lorraine Pe Symaco,Martin

Hayden,2021-12-23 This International Handbook provides a detailed account of the education systems of 11 Southeast Asian nations including Brunei Darussalam Cambodia Indonesia Lao People s Democratic Republic Malaysia Myanmar the Philippines Singapore Thailand Timor Leste and Vietnam It presents a systematic sector by sector explanation of how these national education systems deliver educational services and respond to national and international issues and challenges With 56 chapters the International Handbook is the region s most comprehensive educational reference source In the first of its chapters the editors introduce the regional context and draw attention to the distinctive characteristics of each of the 11 systems Southeast Asia representing 8.5% of the world s population is as dynamic as it is diverse The International Handbook charts progress and establishes a benchmark for documenting future developments It also provides a stepping off point for more detailed investigations of decision making processes and outcomes across the 11 national education systems Equity

and Internationalization on Campus Kaela Jubas,2018-09-11 Every day we hear how people organizations and ideas are moving across borders We also hear about fairness and justice as fundamental social values How though do these two discourses one related to internationalization and the other to equity converge in lived experience The post secondary institution is one setting where that question might be asked and people who are minoritized for their gender or sexual identities can provide important answers While equity oriented discourses assure LGBT people that they will be free from harassment and discrimination an internationalization discourse might call them to engage in places where they are illegal Equity and Internationalization on Campus shares findings from a Canadian study that explored how LGBT or ally post secondary faculty students and staff encountered these two discourses It offers much to scholars and staff committed to developing an equitable version of internationalization and an international version of equity **Management Strategies**

and Tools for Addressing Corruption in Public and Private Organizations P rez-Uribe, Rafael Ignacio,Ram rez-Garz n,

Maria Teresa,Mu oz-Maya, Carlos Mario,Diaz-Villamizar, Olga Lucia,2023-06-14 Corruption is a phenomenon as old as civilization itself within the history of humanity and it has presented itself in society with different intensities and various nuances Many authors have described corruption as the action and effect of corrupting or becoming corrupted but it also includes the use of the functions and means of organizations public or private for economic benefit or some other form of benefit Corruption has thus become one of the main threats to democracy and governance because the principles of good
