Shakespeare's Sonnets, Retold William Shakespeare, James Anthony, 2018-11-13. An enlightening and entertaining collection of the most esteemed love poems in the English canon, retold in contemporary language everyone can understand. James Anthony has long enjoyed poetry with a strict adherence to beat rhythm and rhyming patterns, which he

likens to the very best pop songs This drew him to the rewarding 14 line structure of Shakespeare s sonnets yet he often found their abstract language frustratingly unintelligible One day out of curiosity he rewrote Sonnet 18 Shall I compare thee to a summer s day line by line in the strict five beat iambic pentameter and rhyming patterns of the original but in a contemporary language a modern reader could easily understand The meaning and sentiment difficult to spot initially came to life revealing new intricacies in the workings of Shakespeare s heart And so James embarked on a full time year long project to rewrite all 154 of the Bard s eternal verses creating SHAKESPEARE S SONNETS RETOLD This collection of masterful reinterpretations brilliantly demystifies and breathes new life into Shakespeare s work demonstrating the continued resonance of a playwright whose popularity remains over 400 years after his death Now the passion heartbreak deception reconciliation and mortality of Shakespeare s originals can be understood by all without the need to cross reference to an enjoyment sapping study guide Coming with a foreword by Stephen Fry this is a stunning collection of beautiful love poems made new
