**Clement Wood**

## **Pope Joan The Woman Pope English Edition:**

*A Present for a Papist* Alexander Cooke, 1740      **Pope Joan, the Female Pope. A Historical Study** Emmanouël D. Rhoidēs, 1886      **The Woman Who Was Pope** Clement Wood, 2011-07-01      The Afterlife of Pope Joan Craig Rustici, 2010-02-01

Amid the religious tumult of the sixteenth and seventeenth centuries English scholars preachers and dramatists examined debated and refashioned tales concerning Pope Joan a ninth century woman who as legend has it cross dressed her way to the papacy only to have her imposture exposed when she gave birth during a solemn procession The legend concerning a popess had first taken written form in the thirteenth century and for several hundred years was more or less accepted The Reformation however polarized discussions of the legend pitting Catholics who denied the story s veracity against Protestants who suspected a cover up and instantly cited Joan as evidence of papal depravity In this heated environment writers reimagined Joan variously as a sorceress a hermaphrodite and even a noteworthy author The Afterlife of Pope Joan examines sixteenth and seventeenth century debates concerning the popess s existence uncovering the disputants historiographic methods rules of evidence rhetorical devices and assumptions concerning what is probable and possible for women and transvestites Author Craig Rustici then investigates the cultural significance of a series of notions advanced in those debates the claim that Queen Elizabeth I was a popess in her own right the charge that Joan penned a book of sorcery and the curious hypothesis that the popess was not a disguised woman at all but rather a man who experienced a sort of spontaneous sex change The Afterlife of Pope Joan draws upon the discourses of religion politics natural philosophy and imaginative literature demonstrating how the popess functioned as a powerful rhetorical instrument and revealing anxieties and ambivalences about gender roles that persist even today Craig M Rustici is Associate Professor of English at Hofstra University      Elizabeth I Carole Levin, Jo Eldridge Carney, 2017-05-15 This interdisciplinary collection by historians cultural critics and literary scholars examines a variety of the political social and cultural forces at work during the English Renaissance and beyond forces that contributed to creating a wealth of artistic literary and historical impressions of Elizabeth her court and the time period named after her the Elizabethan age Articles in the collection discuss Elizabeth s relationships investigate the advice given her explore connections between her court and the arts and consider the role of Elizabeth s court in the political life of the nation Some of the ways Elizabeth was understood and represented demonstrate society s fears and ambivalence about early modern women in power while others celebrate her successes as England s first and only unmarried queen regnant This volume will be of interest to scholars and students in a wide range of disciplines including literary cultural historical and women s studies as well as those interested in the life and times of Elizabeth I
