Dizionario Italiano, Ed Inglese Giuseppe Baretti, 1829      *Bringing Back the Dead* Joe Domenici, 2025-08-22 With a style reminiscent of early David Morell and Stephen Hunter in *Bringing Back the Dead* Joe Domenici presents a classic tale of military honor pushed to its outer extreme and the clash that inevitably occurs when those who use violence to corrupt meet those who use it to protect Newly retired from the U S Army Special Forces and settling into a quiet retirement in the American Southwest Ted Hickman thought he'd seen his last battle Then he picked up the phone After the horrors of Vietnam for Larry Yoder the study of theology made the world make sense again Until his work as a Pastor took him to Belle Glade Florida A town built on dark secrets and run by an old boy network bent on keeping them buried Two qualities that made Yoder's devotion to faith and honesty dangerous And although you won't hear it from the local cops maybe had something to do with his sudden disappearance Except Yoder knows a few people whose loyalty lies outside Belle Glade's channels of power Like Ted Hickman Long ago as a special forces commander in Vietnam Hickman made a pledge to defend Yoder's life at any cost So when Hickman gets the call that Yoder is missing it doesn't take much convincing to get him and some of the old Vietnam A team on the first plane to Belle Glade A place located dead in the center of the Florida Everglades where men with skills honed in the jungles of Southeast Asia might prove useful in getting some answers      *Even the Stars Look Lonesome* Maya Angelou, 1998-09-01 NEW YORK TIMES BESTSELLER Maya Angelou writes like a song and like the truth The New York Times Book Review Everything about Maya Angelou is transcendental She has something to tell you now Listen Robert Fulghum The Washington Post Book World I have written of the black American experience which I know intimately I am always talking about the human condition in general and about society in particular What it is like to be human and American what makes us weep what makes us fall and stumble and somehow rise and go on The compelling wisdom and deeply felt perceptions of Maya Angelou have been cherished by millions of readers Now in a continuation of her bestseller *Wouldn't Take Nothing for My Journey Now* she shares many of her most treasured personal experiences reflecting on the ideas and inspirations that have touched her heart *Even the Stars Look Lonesome* is a profound series of essays that explores aspects of life both big and small with Maya Angelou serving as the unique spellbinding guide to a powerful spiritual journey      Fathers True Chuck Mansfield, 2023-02-23 When the author's son John suggested he write a book about fatherhood he thought with all the books on fatherhood who needs another He concluded Perhaps I do While the book is indeed about fatherhood and fathers it also tells of other fitting paternal exemplars father figures who may not have had children of their own but nonetheless have or had the right stuff as men and mentors A central tenet herein is that good strong fathers are essential to the character building and moral fiber of our young and the very fabric and future of our currently downward spiraling society One reviewer writes the testimonials describing the influence for good one person can have over another be he parent son friend teacher comrade barber sports coach or even our children are remarkable The
