

POPPIE

The background of the book cover is a surreal landscape painting. In the foreground and middle ground, a vast field is covered with thousands of small, rectangular objects, possibly tiles or stones, in various colors including shades of blue, green, yellow, and red. These objects are arranged in a way that creates a sense of depth and perspective, leading towards a distant horizon. The sky above is a mix of soft, pastel colors, suggesting a sunset or sunrise, with a large, bright, circular light source (the sun or moon) positioned slightly to the left of the center. The overall mood is dreamlike and expansive.
