**American Pope** Sean Swain Martin, 2021-10-15 As arguably the most influential voice in American Catholicism the vision that Scott Hahn offers in his works read by millions of Catholics throughout the world is one of the most formative in American Catholicism His numerous books and public speaking engagements are shaping the American Catholic Church in a uniquely powerful manner This work demonstrates that the Catholic vision that Hahn claims to be providing his audience is in fact always quite different from the one he actually presents What he coins as Catholic faithfulness is instead a straightforward and damning Catholic fundamentalism As this vision is delivered to millions of the faithful who look to Hahn as a trustworthy guide to an authentic life of Catholic faith American Pope acts as a critical analysis of his work **DK**

**The Church** Gerald Bray, 2016-04-12 Renowned evangelical theologian Gerald Bray provides a clear and coherent account of the church in biblical historical and theological perspective He tells the story of the church in its many manifestations through time starting with its appearance in the New Testament moving through centuries of persecution and triumph and discussing how and why the ancient church broke up at the Reformation Along the way Bray looks at the four classic marks of the church its oneness holiness catholicity and apostolicity and illustrates how each of these marks has been understood by different Christian traditions The book concludes with a look at the ecumenical climate of today and suggests ways that the four characteristics of the church can and should be manifested in our present global context This accessible introduction to the church from an evangelical perspective explores ecclesiology through the lenses of church history and doctrine to reveal what it means for us today Bray discusses the church as a living reality offering practical ways churches and individuals can cooperate and live together

**Surprised by Truth 3** Patrick Madrid, 2002-10-15 Ten former Protestants tell why they became Catholic and why others should too

*Predestination* Peter J. Thuesen, 2009-07-06 Predestination the idea that God foreordains one's eternal destiny is one of the most fascinating and controversial doctrines in Christianity In this groundbreaking history the first of its kind Peter Thuesen shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God's providential involvement in human affairs and has fueled theological conflicts across denominations for centuries

**Canon Revisited** Michael J. Kruger, 2012 Exploring the history of the New Testament text from a theological perspective Michael Kruger helps Christians understand the facts behind their faith and the legitimacy of the New Testament Scriptures

Absent from the Body, Present with the Lord Thomas J. Gentry

II,2019-04-29 What happens when Christians die Some conclude that purgatory a place of final purging and purification is what awaits most believers after death in order to prepare for them to eventually fully enjoy God in heaven But is purgatory what the Bible teaches What are the theological implications of purgatory Is purgatory as some claim a rational conclusion based on human freedom and moral transformation In this introductory consideration to the topic of what Christians experience after death it will be argued that there are clear biblical theological and rational reasons to reject any teaching of purgatory Rather than anticipating a time of future purgation the joyful expectation of every Christian is that at the moment of death to be absent from the body is to be present with the Lord *Protestants & Catholics: Do They Now Agree?* John Ankerberg, John Weldon, 2012-03-02 Protestants Catholics have battled for centuries over how a sinful man is forgiven by a holy righteous God Some of evangelical Christianity s most highly respected leaders have linked hands with Catholics in an unprecedented accord by signing an agreement entitled Evangelical Catholics Together Have doctrinal differences been eliminated What was decided about justification by faith the one issue upon which Martin Luther said the church stands or falls Which side changed its views The authors delve into the history of the Catholic church discuss the sacraments penance confession the rosary indulgences Purgatory **Word, Water, and Spirit** John V. Fesko, 2013-08-26 This book represents a substantial accomplishment one that provides a useful resource for those wanting to deepen their understanding of the sacraments particularly baptism Reflecting a massive amount of research against the background of an in depth survey of various views of baptism in church history Fesko provides an extensive exegetical and biblical theological study of the covenantal and eschatological significance of baptism followed by systematic theological reflections on key issues like baptism as a means of grace the efficacy of baptism the biblical warrant for infant baptism and against paedocommunion and the importance of baptism for the church One need not agree with his reflections at every point to benefit from his considerable labors Richard B Gaffin Jr Professor of Biblical and Systematic Theology Emeritus Westminster Theological Seminary **Covenant Theology and Justification by Faith** Jeong Koo Jeon, 2006-05-23 This study explores the Shepherd Controversy 1975 1982 and the contemporary debate on covenant and justification by faith from the perspectives of historical systematic and biblical theology The distinctive contribution lies in the identification that the Shepherd Controversy as a logical outcome of rejecting the distinction between Law and Gospel at Westminster Seminary in Philadelphia The larger problem is that Norman Shepherd and other associated theologians reject the distinction between Law and Gospel injecting their monocovenantalism into the theologies of Calvin the Westminster Standards and Murray The result has been hermeneutical and theological confusion among some of the followers of the Union with Christ School scholars Reformed theonomists led by Greg Bahnsen Auburn Avenue theologians and pastors are also monocovenantalists and have been influenced by the Union with Christ School scholars directly and indirectly Their common denominator is the rejection of the distinction between Law and Gospel in their analysis and understanding of covenant and justification by faith

Having been influenced by the Union with Christ School scholars at Westminster Seminary in Philadelphia some scholars began to adopt the hermeneutics and theology of the New Perspective on Paul which is anti Reformational and anti Pauline The adaptation of the New Perspective on Paul among some of the followers of the Union with Christ School is a logical step because both of them reject the distinction between Law and Gospel which was a key hermeneutical and theological tool during the sixteenth century Protestant Reformation against the background of the medieval legalistic religion

**Church Councils** Paul Senz, 2023-04-15 From the days of the apostles the Church's pastors and teachers have met when necessary to defend and explain the Catholic faith From the Council of Jerusalem in the Acts of the Apostles through the Councils of Nicaea Constantinople Trent and Vatican II these meetings of the world's bishops are some of the most important events in the life of the Church and the most profound expressions of the Church's teaching authority More than a history of the twenty one ecumenical councils this question and answer book provides a practical and theological explanation of them It provides the historical context that led to each council the reasons it was convened the major events that happened during the council and the impact of its teachings then and now While surveying some of the most important issues and controversies in the history of the Church the author also explains and defends the teaching authority of the bishops as successors to the apostles particularly when teaching together as a single united body in union with the pope

**Why Mary Matters** Kristofer Carlson, 2015-02-14 The Virgin Mary is more than just a bit player in the Christmas Pageant However if you are indisposed towards the Virgin Mary perhaps no amount of evidence will change your mind After all any number of people

have used Sacred Scripture devise any number of different theological systems each internally coherent and with great explanatory power Despite this one of the unique things about human consciousness is our ability to step outside ourselves to see things from another perspective and to change our minds I ask you to examine the evidence and to examine the views of people you might normally discard out of hand If you make the effort even if you remain unconvinced you will nonetheless find the process spiritually rewarding

**A Woman Rides the Beast** Dave Hunt, 1994-08-15 Are you missing half the story about the last days Virtually all attention these days is focused on the coming Antichrist but he is only half the story Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy a woman who rides the beast Who is this woman Tradition says she is connected with the church of Rome But isn't such a view outdated After all today's Vatican is eager to join hands with Protestants worldwide The Catholic church has changed is what we hear Or has it In *A Woman Rides the Beast* prophecy expert Dave Hunt sifts through biblical truth and global events to present a well defined portrait of the woman and her powerful place in the Antichrist's future empire Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt A provocative account of what the Bible tells us is to come
