The Political Economy and Ethics of Debt Financing Patrick O'Sullivan,Paolo Ricci,2024-12-04 This book takes a fresh look at an age old controversy in ethics and political economy that stretches right back to Aristotle the morality and the economics of debt financing or the charging of interest on loans It endeavours to show the immense relevance of those ancient debates in the contemporary economy Outside of countries which practise Islam and Islamic finance the charging of interest is taken completely for granted today and little or no thought is devoted to its morality or economic and social impacts This book argues that in fact the question of the morality of charging interest is still debatable and deserves to be considered anew in the 21st century for the light it can shine on certain salient contemporary sources of economic malaise This book will first of all review the ancient debates on these questions stretching back to Aristotle seeking to restate the concerns in terms of contemporary economic theories and realities It will also then delve into the current practices in respect of lending of all kinds that can be found in those Islamic countries and financial institutions which endeavour to follow the

prohibition of riba charging of any kind of interest This will be contrasted with the impact of interest and debt financing in the contemporary non Islamic economies arguing that debt financing of businesses promotes greater rates of bankruptcy over the business cycle and that the charging of interest on loans for current consumption purposes will over time increase inequality and inequitable concentration of wealth in societies where it is practised It will also be shown how in a system without predetermined interest charges problems of exponentially exploding government debt could largely and neatly be avoided by linking bondholder rewards to levels of fiscal proceeds of states This book will be of significant interest to readers in ethics moral philosophy and political economy as well as to policymakers and thinkers grappling with issues around debt burdens public and private inequality and fairness *Christianity Today* ,1990 **NIV, Holy Bible, Larger Print, Economy Edition, Paperback, Teal/Tan, Comfort Print** ,2024-07-30 A low cost outreach Bible with added features in a readable 9 9 print size The NIV Holy Bible Larger Print is a great witness tool to give to first time Bible readers looking to discover God s Word You can feel comfortable and confident handing this Bible to anyone interested in spiritual issues or open to talking about God Includes added helps for a deeper understanding of the Bible making it ideal for churches and ministries buying Bibles in bulk Features include Full text of the accurate readable and clear New International Version NIV Selection of Old Testament and New Testament maps Getting to Know God A step by step path of salvation About the Bible Answers questions about what the Bible is how it was written and how it came to us Promises from the Bible Scripture passages on 20 difficult yet common emotions experienced by Christians 30 Days for Beginning Your Walk with Christ reading plan that gives an overview of the Bible and God s love for his people Perspectives from the Bible Scripture passages on 30 common situations experienced by Christians 30 Days with Jesus reading plan that covers the life death and resurrection of Jesus Double column format Exclusive Zondervan NIV Comfort Print typeface for a smooth reading experience Print size 9 9 New International Version NIV is the world s bestselling modern English Bible translation accurate readable and clear yet rich with the detail found in the original languages The NIV is the result of over 50 years of work by the Committee on Bible Translation who oversee the efforts of many contributing scholars Representing the spectrum of evangelicalism the translators come from a wide range of denominations and various countries and continually review new research to ensure the NIV remains at the forefront of accessibility relevance and authority Every NIV Bible that is purchased helps Biblica translate and give Bibles to people in need around the world **The theory of the kingdom: A unified model of human agency** Andrew Root,2024-01-02 This original monograph presents a comprehensive theory regarding the economy of the kingdom of God The theory and associated model will help individuals make better choices The research integrates fundamentals of the temporal real economy and the permanent economy of the kingdom of God to present a unified model of human agency According to the model effective agents are salt and light in the real economy arresting corruption and revealing the truth Effective agency produces life peace and growth Individual and organizational

practices that arrest corruption and reveal truth can resolve longstanding economic grievances The list of spiritual credence goods is extensive and includes commonly known virtues such as humility patience and hope Spiritual goods are allocated based on the owner agent relationship The quantity of goods the owner supplies is in proportion to an individual s sacrificial offering of time and money Spiritual goods are stored as heart capital In a process analogous to the real economy heart labor applied to heart capital produces desirable outputs The owner relates to his agents through a heart inscribed behavioral contract The owner generally intervenes in the real economy by communicating with agents rather than by restricting choice Prior studies across economics finance and sociology prove the efficiency of behavioral contracts and communication over restricted choice Herein researchers will find new testable propositions and practitioners will find new ideas and practices to live better more consequential lives Examples of practical applications include methods of resolving group level bias and understanding the purpose of life s difficulties

Corporate Management for Church Leaders and Executives Ado .T. Noma,2014-02-13 The perception about Church administration and management revolves around managing various weekly activities of the Church Some Churches have problems and opportunities that present fundamental dilemma in corporate management and decisions For example managing a Church Department or the Church corporate headquarters is even more complex Consequently People understand that most leaders in the Church are amateur in corporate management because they often fall short of applying standard principles in managing resources To improve their managerial competencies this book provides holistic knowledge which aim at developing skills in corporate management in an Evangelical Church context

The Psalms (Vol. 1) James Johnston,2015-01-31 The Psalms is one of the most widely loved books of the Bible A source of instruction for our prayers inspiration for our songs and consolation for our tears these biblical poems resound with the whole spectrum of human emotion and teach us to hope in God each and every day In the first volume of a three part commentary on the Psalms pastor James Johnston walks readers through chapters 1 44 offering exegetical and pastoral insights along the way In an age that prizes authenticity this resource will help anyone interested in studying teaching or preaching the Bible to truly engage with God in a life changing and heart shaping way Part of the Preaching the Word series

Mere Christian Hermeneutics Kevin J. Vanhoozer,2024-10-01 Southwestern Journal of Theology 2024 Book of The Year Christianity Today 2024 Theology Book Award The Gospel Coalition 2024 Biblical Studies Book Award Reading the Bible to the glory of God In 1952 C S Lewis s Mere Christianity eloquently defined the essential tenets of the Christian faith With the rise of fractured individualism that continues to split the church this approach is more

important now than ever before for biblical hermeneutics. Many Christians wonder how to read the text of Scripture well rightly and faithfully. After all, developing a strong theory of interpretation has always been presented by two enormous challenges. A variety of actual interpretations of the Bible even within the context of a single community of believers. The plurality of reading cultures: denominational, disciplinary, historical, and global interpretive communities, each with its own frame of reference. In response, influential theologian Kevin J. Vanhoozer puts forth a mere Christian hermeneutic: essential principles for reading the Bible as Scripture everywhere at all times and by all Christians. To center his thought, Vanhoozer turns to the accounts of Jesus' transfiguration, a key moment in the broader economy of God's revelation, to suggest that spiritual or figural interpretation is not a denial or distortion of the literal sense but rather its glorification. Irenic without resorting to bland ecumenical tolerance, *Mere Christian Hermeneutics* is a powerful and convincing call for both church and academy to develop reading cultures that enable and sustain the kind of unity and diversity that a mere Christian hermeneutic should call for and encourage.

Niv Economy Bible: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Niv Economy Bible : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Niv Economy Bible : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
