Who's Speaking?** David Cox, 2018-09-28 Hmmm Who s Speaking is an inspiring collection of first hand reports so to speak that the author gathered by visiting a variety of churches from a wide array of religious denominations and backgrounds Then he shared them first with his minister and then others so that each may learn something from other members of the body of Christ Some of his visits were to mosques temples synagogues and even cults The author hopes his reports of visits to denominational and nondenominational churches will encourage some readers who do not attend a church or maybe feel uncomfortable where they do go to check out another church He feels God has a specific church in mind for you so that you will become involved in spreading the Good News about the Father Son and Holy Spirit And some of his stories in this book are about other happenings where God got his message over to the author through experiences as a Boy Scout chaplain a Billy Graham Emergency Response chaplain and as a chaplain for the Tulsa Juvenile Detention Center Then there are stories about ways and things God used to get his attention either physically or with words or music or even animals like foxes donkeys frogs birds and even insects The author s hope is that you too may recognize something similar that s happened in your life and maybe you ll think Hmmm Was that the Father Son and Holy Spirit
