to IRS rules and increased scrutiny by regulators mean it's necessary for you to keep abreast of myriad changes that come into existence each year. From authors Bruce R. Hopkins and Jody Blazek comes the definitive guide for those responsible for guiding the financial and tax filing operations of private foundations. The complexity of tax regulations related to private foundations extends to a level that is out of proportion to the relatively small number of such entities. Nonetheless, recent statutory requirements that apply solely to private foundations can make untangling filing and reporting activities overly burdensome without a developed knowledge of the underlying theory and practice. To navigate this maze of add-on regulations, Hopkins and Blazek provide background knowledge in depth, explanations of regulatory changes, and real-world examples to bring as much simplicity to the process as possible. Receive guidance from the 2007 Outstanding Nonprofit Lawyer Award recipient. Learn about the details of private foundation taxes from leading experts in the field. Make use of checklists and sample documents to prepare organizational filings. Utilize line-by-line instructions for completing exemption applications and forms.
