The Boys of Milo Michael Williams, 2021-08-05 Kids that grew up in the small southern Iowa town of Milo truly had a walk in the park during their childhood There was so much to enjoy during those tender years as Little Leaguers Boy Scouts high school athletes or members of the school band Hunting and fishing with friends occupied nearly every weekend and filled those treasured moments with unforgettable memories That all changed when America became involved in the Vietnam War and the boys of Milo were called to join the military Soon to be lost would be the innocence of their youth From 1960 to 1975 nearly two thirds of the young men from this tightly knit community departed their tranquil town and became soldiers Many served overseas to include Southeast Asia Some did not return home Many came back with visible battle scars and Purple Hearts pinned on their chest Many returned with hidden wounds buried deep within their soul that haunted them for years The Boys of Milo is a true account of the events that impacted these young men on their journey to far flung parts of the United States and the world during an exceedingly difficult time in American history Some of their stories are humorous others are so gripping they defy believability All however are true accounts as now told by old men Their stories allow those who knew them to remember and for all to understand them Consider what God has done Who can straighten what he has made crooked When times are good be happy but when times are bad consider God has made the one as well as the other Therefore a man cannot discover anything about his future Ecclesiastes 7 13 15

to rediscover America and Americans along the way **The 2nd Second** Leonardo DeSanctis,2001-04-04 Imagine tomorrow that you packed everything you owned in a bag and just disappeared You forgot about your family a job taxes credit card bills traffic and all the other headaches of life You just split Not giving a single thought to where you were going or what you were going to do when you got there You lived completely by impulse Sounds good doesn't it Well what's stopping you That's exactly what Nello Di Latio would say Nello is twenty-two likes looking at himself in the mirror watching five movies in a row drinking Rum and Diet Cokes and living his life by a coin toss According to him life on the go gives him countless opportunities in just under a second and It's the 2nd second that really counts That's when you either go for it or you miss out forever Since he finished college the previous year this fast lane lifestyle has worked for him He's backpacked through Europe and the United States on about twenty bucks a day There's never a minute when I pause and reflect because I'm always moving he says I bet you can't wait to see where I'll be next Well neither can I The only thing that fascinates Nello more than living his life by impulse is his love of movies He sees his life as one giant movie with a Classic Rock soundtrack and him as the star But a movie has to have a point Nello slowly begins to realize that he can't float forever But where will a guy end up that follows women from bus stops and that allows fortune cookies and traffic signs to dictate his future This novel begins in on a deserted highway in Texas and ends in a hospital bathroom in New York City four days later During this time Nello learns that his traveling days are numbered What makes this novel intriguing is Nello's unusual journal entries that take him no more than two minutes Life's too short to waste time with bullshit details he says Through his passages we get to know him and his Gen X culture and mentality Aside from an occasional flash fantasy and a flashback the story is all present action The 2nd Second was written for anyone who ever got carried away with their imagination their passion for travel and experience and their own personal happiness Cowgirls Cook for the Great Outdoors Jill Charlotte
