## **No Lipstick In Lebanon:**

*No Lipstick in Lebanon* Paul Timblich, Fasika Sorssa, 2015-08-27 Meron Lemma couldn't know there was a fate worse than wasting away as a poor teenager in the Ethiopian slum where she was born. Desperate to create her own destiny and drawn by the irresistible possibility of earning real dollars as a maid in Beirut, Meron leaves her devout mother and family behind to join the many other Habesha migrants searching for a better life in the Middle East. Only once there does she realise the ugly truth: instead of opportunity, she has found captivity. Instead of freedom, subordination. Trapped and mistreated by the harsh Madame, Meron lives in constant fear, fear of the daily onslaught of Madame's vicious spite, of her cruel and callous daughters, of the sexual advances of her predatory son, and most of all, fear of losing her sense of self, her Habesha spirit, even her life. Rich in cultural detail and exposing the ongoing under-reported horrors facing domestic workers in Lebanon today, *No Lipstick in Lebanon* is a harrowing account of the unrelenting hell of modern slavery. Told through the escalating plight of our heroine, this is not just a fictionalised report of one maid's ordeal but rather the uncovering of a larger issue plaguing a generation of women.

Modern Slavery Guido Cuyvers, 2023-11-26 Slavery is a phenomenon that appears to interfere with neither the daily lives of most people nor with their contemporary worlds. For many, the term slavery is reminiscent of black slaves on their journey to America or perhaps of slaves in ancient Rome or Greece. And yet, despite the fact that slavery had formally been abolished at the end of the nineteenth century in most countries, it still remains an inherent part of modern life. In 2023, it still consists of a large group of people. For more than 50 million individuals worldwide, freedom does not exist. People are still being exploited and traded as commodities. In the first place, this issue concerns people who end up working as slave labour in all economic branches, including clothing, fishing, agriculture, construction, transport, and catering industries. This form of slavery has many connections to Western companies and often it actually occurs in Western countries. In addition, in all European countries, the sex industry makes abundant use of so-called sex slaves. This book will give you a glimpse of what slavery looks like today.

*Marcolinipalais Stadtkrankenhaus Dresden - Friedrichstadt*, 1959

No Lipstick in Lebanon P. J. Timblich, 2014-01-26 Her devout mother was firmly against it. But as a teenager drifting through the drudgery of Addis Ababa's slums, the possibility of earning dollars as a maid in Beirut was irresistible. Why shouldn't a poor Ethiopian girl choose her own destiny? Except Meron Lemma had no idea what she was doing. The ugly truth hit Meron as she peered down thirteen storeys to the street below from her tempestuous Beirut penthouse. Trapped and mistreated by the harsh Madame and callous offspring, Meron wondered if she'd return to her mother in a coffin. Was jumping the only escape? Rich with bi-cultural detail, *No Lipstick in Lebanon* is typical for Ethiopia's domestic servants in Beirut today succumbing to uninvestigated horrors within respectable family homes. Here, through the escalating suspense endured by our heroine, the unrelenting Hell of Lebanese servitude is laid bare. An amazing story.
