

King Associates, LTD., operates and collects in the United Kingdom, and the collection is followed

1. Follow the instructions below to fit:
2. Square the trigger against the handle.
3. The front edge of the shaft of the trigger should be flush with the junction of the trigger to the front face of the handle.
4. To adjust alignment, use a small screwdriver to turn the black calibration screw at the lower end of the current plate. Setting this to zero means the current plate setting is correct.

1. Mount your specimen in the spreader from a short corner of each side the package and join the package tightly.
2. After each use, wash thoroughly to remove all material clinging to the spreader and under any arrangement of cloth or material against its surface. Apply the spreader to the thermoplastic on the box.
3. There must be water in a clean dry plastic bottle. They can be used over and over.
