Registrars healthcare assistants studying NVQ and health visitors Educationalists managers and service developers in health and social care will also appreciate its solution focused practical approach **Ageing, Health and Care** Christina R. Victor,2010 The ageing of the population has enormous policy implications for health care This important new textbook written by a leader in the field covers key questions such as the fitness of older people in the future the widening inequalities in the health of older people and how health in old age reflects habits and behaviour in earlier life **Gynaecological Oncology for the MRCOG and Beyond** Nigel Acheson,David Luesley,2011-01-01 A multidisciplinary approach to the care of women with gynaecological cancer with treatment delivered in linked local or specialist centres has been established in the UK The second edition of this book therefore includes chapters which focus on the multidisciplinary approach Chapters on pathology radiology chemotherapy and radiotherapy will increase understanding of these disciplines that are central to the care of women with gynaecological cancers Chapters on laparoscopic surgery basic surgical principles palliative care emergencies and treatment related complications provide additional information All content has been updated to reflect current practice and present the latest evidence on investigation staging and management The book is primarily designed to provide a comprehensive summary for candidates preparing for the Part 2 MRCOG examination and as such covers the RCOG curriculum for gynaecological oncology It is also a valuable guide for all healthcare professionals working in the field including trainees consultants and midwives **Sedation at the End-of-life: An Interdisciplinary Approach** Paulina Taboada,2014-10-21 The book s main contribution is its interdisciplinary approach to the issue of sedation at the end of life Because it occurs at the end of life palliative sedation raises a number of important ethical and legal questions including whether it is a covert form of euthanasia and for what purposes it may legally be used Many of the book chapters address the first question and almost all deal with a specific form of the second whether palliative sedation should be used for those experiencing existential suffering This raises the question of what existential suffering is a topic that is also discussed in the book The different chapters address these issues from the perspectives of the relevant disciplines Palliative Medicine Bioethics Law and Theology Hence helpful accounts of the clinical and historical background for this issue are provided and the importance of drawing accurate ethical and legal distinctions is stressed throughout the whole book So the volume represents a valuable contribution to the emerging literature on this topic and should be helpful across a broad spectrum of readers philosophers theologians and physicians Fundamentals of Nursing E-Book Barbara L Yoost,Lynne R Crawford,2019-01-23 Yoost and Crawford s Fundamentals of Nursing is back for a second edition encore The text that made its name by focusing on simple language and active learning continues its focus on helping you truly understand apply and retain important nursing information and concepts Using a warm and conversational style this new second edition guides you towards a basic understanding of the nursing profession and then logically progresses through the nursing process and into the safe and systematic methods of applying care Each chapter features realistic and complex case studies and critical

thinking exercises woven throughout the content to help you continually apply what you've learned to actual patient care. A conceptual care mapping approach created by Yoost and Crawford themselves further your ability to make clinical judgments and synthesize knowledge as you develop plans of care after analyzing and clustering related patient assessment data. All of this paired with a wealth of student-friendly learning features and clinically focused content offers up a fundamentally different and effective way for you to easily master the fundamentals of nursing. UNIQUE Warm friendly writing style slows down the pace of information to give readers time to critically think and master all fundamental concepts and skills. UNIQUE Building block approach groups topics and concepts together thematically in the order needed for readers to build their knowledge. UNIQUE Objective driven approach presents clearly defined numbered objectives that coordinate with all content and then wrap up with Objective Summaries. UNIQUE Active learning activities are incorporated throughout every chapter to help readers learn to apply chapter content to broader nursing concepts and realistic patient scenarios. UNIQUE Conceptual care mapping is taught and used throughout the text in conjunction with the Conceptual Care Map Creator. UNIQUE Emphasis on QSEN reinforces the Quality and Safety Education for Nurses competencies including patient centered care, teamwork and collaboration, evidence based practice, quality improvement, safety, and informatics. Special feature boxes cover the areas of diversity, consideration, evidence based practice, informatics, patient education, healthy literacy, health assessment, questions, interprofessional collaboration and delegation, ethical and legal practice, home care considerations, safe practice alerts, QSEN critical thinking exercises, and nursing care guidelines. NEW Interprofessional collaboration and delegation content appears throughout the text along with new IPE activities that are integrated into the Evolve resources. NEW UNIQUE Review and exam questions tied to learning objectives use a building block style approach that starts at lower Bloom's taxonomy levels in early chapters and builds to more complex levels as readers acquire more knowledge. NEW Emphasis on assignment and delegation covers the differences between them and how and when they're appropriate for an RN. NEW Content on complementary therapies has been integrated throughout the text to reflect the changes to the NCLEX exam. NEW Additional information has been added in the areas of HCAHPS, Health Literacy, Patient Education, Drugs of Abuse, Zika, Ebola, and more.
