How Did We End Up Here? Kate Moore, 2023-11-28 Series statement from front jacket flap

Dave Cameron's Schooldays Bill Coles, 2006-05-16 A cracking read Perfectly paced and brilliantly written Coles draws you in leaving a childish smile on your face News of the World This is a charming and uplifting book Piers Morgan This is the extraordinary first hand account of Tory leader David Cameron's Eton Schooldays In this cracking yarn which also happens to be entirely fictional veteran journalist Bill Coles reveals how Cameron's first year at Eton College helped turn him into one of the wildest political operators of his age These spoof memoirs include revelatory details of Cameron's early life as a porn dealer and paparazzo The novel may perhaps contain valuable insights into the mind of the man who is on the threshold of becoming the first Old Etonian Prime Minister in more than four decades

The New Enclosure Brett Christophers, 2018-12-04 How public land has been stolen from us Much has been written about Britain's trailblazing post 1970s privatization program but the biggest privatization of them all has until now escaped scrutiny the privatization of land Since Margaret Thatcher took power in 1979 and hidden from the public eye about 10 per cent of the entire British land mass including some of its most valuable real estate has passed from public to private hands Forest land defence land health service land and above all else local authority land for farming and school sports for recreation and housing has been sold off en masse Why How And with what social economic and political consequences The New Enclosure provides the first ever study of this profoundly significant phenomenon situating it as a centrepiece of neoliberalism in Britain and as a successor programme to the original eighteenth century enclosures With more public land still slated for disposal the book identifies the stakes and asks what if anything can and should be done
