

Program Assessment Exam from Peregrine Academic Services
Frequently Asked Questions Guide

| Question | Response |
|---|--|
| <i>Why am I taking this assessment exam?</i> | Your school requires students to take comprehensive assessment exams in order to assess your learning and to evaluate the program learning outcomes associated with the program of study. The purpose of this exam is to allow school officials the ability to assess the quality of the academic programs, so that the school can improve its programs and provide the best possible educational experience for all students. The assessment exam helps ensure that the school maintains the highest quality of education. |
| <i>How should I prepare for the assessment exam?</i> | The comprehensive exam covers topics taught throughout the degree program, which are aligned to the topics required for accreditation. If you are taking this exam early in your program (the inbound exam), there is no need to prepare. This exam simply assesses the baseline data the school needs for its analysis. This exam is not graded, but rather you must complete the exam to receive course credit. If you are taking the exam at the end of your program (the outbound exam), then the preparation for the exam comes from your educational experience with the school, specifically through the required courses for your degree. The exam assesses the foundational knowledge areas. There is no need to prepare for the exam. |
| <i>Does this assessment exam affect my final grade?</i> | Please refer to your course syllabus or course instructor for information on how the exam will be graded. Keep in mind that the "scores" you receive on the exam are relative, meaning the scores do not relate directly to a traditional 100pt grading scale. If you are graded on the exam, you will most likely be graded on an adjusted grading scale. |
| <i>What do I need to access the exam?</i> | You will need a computer with Internet access. No other plug-ins are required. The online exam will operate on all internet browser types. |
| <i>How do I register for the exam?</i> | Students obtain their exam access link by self-registration from a micro-site created for your university. Be sure to follow the instructions from your course professor. In most cases, you will select from the list the course you are currently enrolled in, which includes the exam as a course requirement. |
| <i>How do I start the exam once I am registered for the exam?</i> | At the conclusion of the self-registration process, a hyperlinked course name will be displayed. When you click the hyperlink, your web browser will open to the exam screen. This method is the best method to start the exam. If you do not complete the exam at the end of the self-registration process, you can also access the exam by using the e-mail sent to you upon completion of the self-registration process. This e-mail also has a hyperlinked name to take you to the exam page. |
| <i>I know I am registered, but I never received the e-mail.</i> | Please check your SPAM or JUNKMAIL folder for the e-mail from Peregrine Academic Services. (Receipt@PeregrineAcademics.com). You can also have the e-mail re-sent to you using the link found on the micro-site page where you began the self-registration process. If you still do not see the e-mail, then there is an issue with your Internet Service Provider (ISP) blocking or otherwise restricting the e-mails and Peregrine Academic Services may not be able to assist you with recovering this e-mail. The last-resort option is to submit a support e-mail to Peregrine |
