Sylvia Day Crossfire Novels 1-4 Sylvia Day, 2014-12-18 Now in one deluxe collection the first four novels in the 1 New York Times bestselling Crossfire series Bared to You He was beautiful and brilliant jagged and white hot I was drawn to him as I'd never been to anything or anyone in my life I craved his touch like a drug even knowing it would weaken me I was flawed and damaged and he opened those cracks in me so easily Gideon knew He had demons of his own And we would become the mirrors that reflected each other's most private wounds and desires The bonds of his love transformed me even as I prayed

that the torment of our pasts didn't tear us apart Reflected in You Gideon Cross As beautiful and flawless on the outside as he was damaged and tormented on the inside He was a bright scorching flame that singed me with the darkest of pleasures I couldn't stay away I didn't want to He was my addiction my every desire mine My past was as violent as his and I was just as broken We'd never work It was too hard too painful except when it was perfect Those moments when the driving hunger and desperate love were the most exquisite insanity We were bound by our need And our passion would take us beyond our limits to the sweetest sharpest edge of obsession Entwined with You From the moment I first met Gideon Cross I recognized something in him that I needed Something I couldn't resist I also saw the dangerous and damaged soul inside so much like my own I was drawn to it I needed him as surely as I needed my heart to beat No one knows how much he risked for me How much I'd been threatened or just how dark and desperate the shadow of our pasts would become Entwined by our secrets we tried to defy the odds We made our own rules and surrendered completely to the exquisite power of possession Captivated by You Gideon calls me his angel but he's the miracle in my life My gorgeous wounded warrior so determined to slay my demons while refusing to face his own The vows we'd exchanged should have bound us tighter than blood and flesh Instead they opened old wounds exposed pain and insecurities and lured bitter enemies out of the shadows I felt him slipping from my grasp my greatest fears becoming my reality my love tested in ways I wasn't sure I was strong enough to bear At the brightest time in our lives the darkness of his past encroached and threatened everything we'd worked so hard for We faced a terrible choice the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream
