Many counsellors who work in primary care find it difficult to explain to colleagues in the primary care team what they actually do with clients behind the closed door of their room In this book the author brings to life in a gripping way what really does go on when a counsellor sees a patient in the primary healthcare setting It's good to read for once a book that describes so realistically and movingly the minute by minute account of what actually happens not a book describing clever therapists getting it right all the time The book should be required reading for newly appointed non clinical managers of counselling services and for primary healthcare staff about to start working with a counsellor as a member of their team Graham Curtis Jenkins in his Foreword      **Person-centred and Experiential Therapies** Paul Wilkins, 2015-11-12

An essential new guide for any person centred trainee or practitioner this book explores some of the key contemporary counselling and psychotherapy approaches that have developed from classical client centred therapy Part One discusses five approaches including Classic Client Centred Therapy Relational and Dialogical Person Centred Therapy Focusing Oriented Therapy Experiential Therapy Emotion Focussed Therapy and Person Centred Expressive therapy Each approach is introduced considered in terms of its history development current context and relevant research as well as exemplified through a range of inspiring vignettes Part Two brings readers up to date with recent developments in the application of person centred practice including creative approaches transcultural counselling work with people who've experienced trauma as well as

those who are experiencing limitations to their ability Written by leading UK based and international authors this authoritative and thought provoking book is a must read for anyone keen to understand the many approaches of person centred therapy      **Contemporary Theory and Practice in Counseling and Psychotherapy** Howard E. A.

Tinsley,Suzanne H. Lease,Noelle S. Giffin Wiersma,2015-03-18 Contemporary Theory and Practice in Counseling and Psychotherapy by Howard E A Tinsley Suzanne H Lease and Noelle S Giffin Wiersma is a comprehensive topically arranged text that provides a contemporary account of counseling theories as practiced by internationally acclaimed experts in the field Each chapter covers the way mindfulness strengths based positive psychology and the common factors model is integrated into the theory A special emphasis on evidence based practice helps readers prepare for their work in the field

**Person-Centred Therapy in Focus** Paul Wilkins,2002-12-13 Person Centred Therapy in Focus provides a much needed exploration of the criticisms levelled against one of the most widespread forms of therapeutic practice Characterized by its critics as theoretically light culturally biased and limited in application until now the person centred approach has had comparatively little written in its defence Paul Wilkins provides a rigorous and systematic response to the critics drawing not only on the work of Carl Rogers but also of those central to more recent developments in theory and practice including Goff Barrett Lennard Dave Mearns Jerold Bozarth Germain Leitauer and Brian Thorne It traces the epistemological foundations of person centred therapy and places the approach in its social and political context Examining the central tenets of the approach each chapter sets out concisely the criticisms and then counters these with arguments from the person centred perspective Chapters cover debates in relation to the model of the person self actualization the core conditions non directivity resistance to psychopathology reflection and boundary issues Person Centred Therapy in Focus fulfills two important purposes firstly to answer the criticisms of those who have attacked the person centred approach and secondly to cultivate a greater critical awareness and understanding within the approach itself As such it makes a significant contribution to the person centred literature and provides an excellent resource for use in training      **Person-Centred**

**Counselling Psychology** Ewan Gillon,2007-06-18 Not only is this the first key text on person centred counselling psychology but one of the best introductions to the approach Gillon combines an in depth understanding of the person centred field with a highly accessible writing style to produce a book that will be of enormous value to anyone wanting to practice person centred therapy Essential reading for trainee and practising counselling psychologists with an interest in the person centred approach and highly recommended for counsellors and psychotherapists of all orientations Mick Cooper Professor of Counselling Counselling Unit University of Strathclyde Person Centred Counselling Psychology An Introduction is an introduction to the philosophy theory and practice of the person centred approach Focusing on the psychological underpinnings of the approach Ewan Gillon describes the theory of personality on which it is based and the nature of the therapeutic which is characterised by o unconditional positive regard o empathy o congruence The book shows how the

person centred approach relates to others within counselling psychology and to contemporary practices in mental health generally. It also gives guidance to readers on the approach's research tradition as well as considering key issues for those wishing to train and work as a person centred practitioner. As such it is designed to be an applied accessible text providing a dialogue between the psychological basis of person centred therapy and its application within the real world. As well as psychology students it will be of interest to those from other disciplines, counselling trainees, those within the caring professions and person centred therapists from a non psychological background. Ewan Gillon is Director of The Edinburgh Psychology Centre and Lecturer in Counselling Psychology at Glasgow Caledonian University. [An Introduction to Counselling and Psychotherapy: Theory, Research, Practice and Social Purpose, 7th Edition](#) John McLeod, 2025-03-25. An Introduction to Counselling and Psychotherapy builds on the existing strengths of John McLeod's research and professional experience. This title provides a comprehensive introduction to the research and practice of counselling and psychotherapy and enables students to develop their confidence in deploying a range of therapeutic models. With renewed focus on issues of social justice and in depth consideration of how best to respond to contemporary developments within and beyond the therapy session, McLeod's most recent edition provides students with the skills required to navigate their early careers in a post Covid19 context. Complete with case studies and topics for discussion, this core textbook acts as a one stop shop for students on a wide variety of counselling training programmes. John McLeod is a household name in the world of C/P education. John has held Professorial position at the Universities of Keele, Abertay, Oslo, Padua and Massey and at the Institute for Integrative Counselling and Psychotherapy, Dublin. He has published 14 books and more than 100 articles and chapters and has an international reputation as a leading figure in counselling and psychotherapy practice and research.

**Client Issues in Counselling and Psychotherapy** Janet Tolan, Paul Wilkins, 2011-11-10. This is the first book to focus on commonly occurring client issues and explore how to work with them from a person centred perspective. Extensive case studies translate person centred theory into effective practice, enabling therapists to work successfully with clients presenting a variety of different problems including Post Traumatic Stress, Depression, Panic and Anxiety, Drug and Alcohol Issues, Eating difficulties, Self harm, Childhood Sexual Abuse. Each chapter covers the origin and meaning of the difficulty, the person centred therapeutic approach and process and the outcomes. Drawing from a combined 50 years of experience in the field, Paul Wilkins and Janet Tolan bring together leading person centred therapists to address how and why each problem can be eased by means of working with the person. This book should be on the desk of every counselling and psychotherapy trainee and is recommended reading for other practitioners of health and social care working with these client groups.

**Anti-Discriminatory Practice in Counselling & Psychotherapy** Colin Lago,Barbara Smith,2010-09-21 Anti Discriminatory Practice in Counselling and Psychotherapy is a groundbreaking text which identifies the ease with which individuals can be disadvantaged merely on the basis of their gender race culture age sexuality or ability Examining these and other areas of discrimination leading experts highlight how vital it is for counsellors psychotherapists and others in the helping professions to be aware of and engage with their own social political and cultural attitudes and how they must develop their skills as culturally sensitive reflective practitioners if counselling is to be truly accessible to all members of society This substantially revised and updated second edition now also includes chapters on working within an anti discriminatory approach with refugees people with mental health difficulties people with disfigurement or visible differences While each thought provoking chapter now links theory to practice by providing case studies and extracts from therapeutic dialogues assesses the most recent research findings provides exercises for enhancing awareness and skills within each different domain or care setting presents references for further recommended reading Clearly written and accessible Anti discriminatory Practice in Counselling and Psychotherapy is an indispensable addition to the toolkit of everyone either training to be or practising in the counselling and psychotherapeutic professions

**The Past in the Present** David Mann,Valerie Cunningham,2008-07-21 The Past in the Present brings together for the first time contemporary ideas from both the psychoanalytic and humanistic therapy traditions looking at how trauma and enactments affect therapeutic practice Enactments are often experienced as a crisis in therapy and are understood as symbolic interactions between the client and therapist where personal issues of both parties become unconsciously entwined This is arguably especially true if the client has undergone some form of trauma This trauma becomes enacted in the therapy and becomes a turning point that significantly influences the course of therapy sometimes with creative or even destructive effect Using a wealth of clinical

material throughout the contributors show how therapists from different therapeutic orientations are thinking about and working with enactments in therapy how trauma enactment can affect the therapeutic relationship and how both therapist and client can use it to positive effect The Past in the Present will be invaluable to practitioners and students of analytic and humanistic psychotherapy psychoanalysis analytic psychology and counselling
