

Happy College Students

I see their confidence
Not over-assuming
But not too shy and timid
Their socialization sounds healthy
Not extreme nor conceited in character

A bit classy but not social climber
They have nice camaraderie and cool friendships
They have a sense of loyalty to their university
Proud to their Alma Mater with high spirit

They have a love-life, but serious in their studies
They are close with their classmates
They have catchy and elegant uniform
And know how to handle and bring-up in their stance

Most of them are not hi-hat snobs
They have good and natural smiles
They have well- rounded school that enriches and excel in all
fields like sports, arts, and academics
They're enjoying their college lives and will graduate
as a happy and fulfilled student.
