Hospitality Security Darrell Clifton, 2022-12-23 *Hospitality Security Managing Security in Today's Hotel Nightlife Entertainment and Tourism Environment Second Edition* provides experience based proven methods for preventing and resolving the challenges faced by today's hospitality security staff and leadership. The lodging component of a hospitality environment creates challenges to the security professional by its complex set of assets and amenities especially when combined with gaming environments. Whether the reader is establishing or improving a professional proactive proprietary security force or the manager of a boutique hotel the practical methods described herein are applicable to everyone. Author Darrell Clifton takes the reader through a logical and methodical process to first evaluate what risks are inherent to hospitality environments how to assess those risks through threat and vulnerability assessments and methods to mitigate eliminate or transfer them. The book stresses the importance of prevention and investigation into the root causes of incidents as a tool for avoiding future undesirable events. This is especially important in that each registered guest brings with them their own unique set of circumstances family values problems and social issues. The security function must operate to protect their individual rights their right to privacy and their desire to enjoy the facilities they are patronizing while contributing to the revenue stream. This must be balanced with the obligation or duty to provide reasonable care from foreseeable harm by the hotel to avoid incidents and litigation. Clifton an experienced industry veteran clearly establishes and identifies practical reasonable and cost effective ways to accomplish this balancing of guest enjoyment with guest protection. This new edition includes expanded content on premises liability security force behavioral recognition workplace violence active shooter scenarios evacuation planning social media and guest reviews and hotel scams. Additional coverage on nightclubs and bars has been added including four entirely new chapters on specialized security for events and venues crime prevention through environmental design CPTED advances in technology and industry trends for the gaming and hospitality sector. Ideal for novices and veterans alike *Hospitality Security Second Edition* is an accessible reader friendly reference that enables security directors to evaluate what risks are inherent to hospitality environments to analyze those risks through threat and vulnerability assessments and to develop methods to mitigate or eliminate them all the while keeping customers and personnel safe and improving the bottom line.
