Tests that Teach Karen Tankersley, 2007 Karen Tankersley examines the various types of questions that routinely appear on national and state assessments and offers guidelines on how to create daily lessons that encourage students to practice the skills and demonstrate the knowledge they will need to use on high stakes tests *Inquiry-Based Lessons in U.S. History* Jana Kirchner, Andrew McMichael, 2021-09-03 Inquiry Based Lessons in U S History Decoding the Past provides primary source lessons that focus on teaching U S history through inquiry to middle school students Students will be faced with a question to answer or problem to solve and will examine primary sources for evidence to create hypothetical solutions The chapters focus on key chronological periods e g the Age of Exploration to the Civil Rights era and follow the scope and sequence of major social studies textbooks with activities linked to the U S History Content Standards and the Common Core State Standards for Literacy in History Social Studies The three lesson plans in each chapter begin with an essential question that sets the focus for the primary sources and teaching strategies that follow The lesson plans include differing types of primary sources such as photographs speeches political cartoons historic maps paintings letters and diary entries Grades 5-8

Unpuzzling History with Primary Sources Jeremiah Clabough, Thomas N. Turner, William B. Russell, Stewart Waters, 2015-09-01 Recent advances in technology have created easy access for classroom teachers and students alike to a vast store of primary sources This fact accompanied by the growing emphasis on primary documents through education reform movements has created a need for active approaches to learning from such sources Unpuzzling History with Primary Sources addresses this need It looks at the role that primary sources can play in a social studies curriculum in the 21st century Each chapter deals with a different aspect of teaching primary sources Each chapter includes a discussion of key issues model activities and resources for upper elementary through high school teachers A model lesson plan also appears at the end of most chapters Chapter one presents a unique perspective on the nature of history and primary sources This is followed by chapters on how historical thinking and inquiry relate to primary sources Other chapters deal with individual types of primary sources A glance at the table of contents will certainly draw the teacher's interest regardless of teaching style The skills that students gain from working with primary sources prepare them for the many responsibilities and duties of being a citizen in a democracy Therefore the book closes with a chapter pointing to the relationship of primary sources to citizenship education This book will be useful as a resource for teachers and might serve as a text for in-service college methods courses and school libraries All four authors have experience in the K-12 classroom as well as social studies teacher education

Instructional Strategies for Diverse Learners Wendy Conklin, 2007-01-20 Learn to meet the demanding needs of diverse students and implement techniques to enhance learning and differentiate curriculum New teachers and educators who want to stay current will appreciate the up-to-date research-based theory and practical applications designed to help teachers implement effective instructional strategies in today's increasingly diverse classrooms Each chapter in the

book covers a different strategy including a definition of each strategy why each should be used and provides ideas for use 130 pp Integrative Strategies for the K-12 Social Studies Classroom Timothy Lintner, 2013-03-01 While the concept of integration or an interdisciplinary curriculum has been around for decades the purposeful practice of integration is a relatively new educational endeavor Though classroom teachers often say they integrate there generally seems to be a lack of understanding of what this thing called integration is theory and what it is supposed to look like in the classroom practice Arguably no other discipline has felt the pressure to integrate more than social studies Marginalized by federal initiatives such as No Child Left Behind and suffering from a general crisis of credibility social studies has been pushed further and further to the proverbial back burner of educational importance Yet regardless of perspective or position social studies remains ripe for integration The crux of this book is to provide educators insights and strategies into how to integrate social studies with other discipline areas Calling upon national experts in their respective fields each chapter chronicles the broad relationship between individual content areas and social studies Multiple examples of integrative opportunities are included At the end of each chapter is a series of grade specific integrative lesson plans ready for implementation This book was purposefully designed as a how to hands on ready reference guide for educators at all stages and all levels of teaching

School-University-Community Collaboration for Civic Education and Engagement in the Democratic Project R. Martin Reardon, Jack Leonard, 2022-05-01 The Campaign for the Civic Mission of Schools 2011 lamented the lack of high quality civic education in America's schools that leaves millions of citizens without the wherewithal to make sense of our system of government p 4 Preus et al 2016 cited literature to support their observation of a decline in high quality civic education and a low rate of civic engagement of young people p 67 Shapiro and Brown 2018 asserted that civic knowledge and public engagement is at an all time low p 1 Writing as a college senior Flaherty 2020 urged educators to bravely interpret national local and even school level incidents as chances for enhanced civic education and to discuss them with students in both formal and casual settings p 6 In this eighth volume in the Current Perspectives on School University Community Research series we feature the work of brave educators who are engaged in schooluniversity community collaborative educational endeavors Authors focus on a wide range of projects oriented to civic education writ large some that have been completed and some that are still in progress but all authors evince the passion for civic education that underpins engagement in the democratic project **Make History** Art Worrell, Paul Bambrick-Santoyo, 2023-05-09 Make History with Your Students From bestselling author Paul Bambrick Santoyo and Art Worrell Uncommon Schools Director of History Instruction comes Make History an inspiring book on how educators can take history instruction to the next level History teachers face unique challenges in introducing history lessons to students and they are under increasing pressure to get it right in an age of social progress and social divisiveness This book is a guide to bring the past to life while teaching students how to make sense of history Use the ideas and techniques to turn your history students into writers readers and

thinkers who are ready not only to succeed in college but also to become leaders and change agents By showing how to teach rigorous engaging lessons that center student thinking and voice Make History turns history class into the most exciting part of a student's day Reimagine history education to help students build their own unique arguments about the past Ask tough questions to help students grapple with difficult historical periods Set the stage for authentic discourse that students remember long past the bell Give students the tools to become socially aware build their own identity and think and write like historians Teachers and instructional coaches in grades 5-12 will love this new insightful approach to history one that works for today's classrooms
