Movies, Moguls, Mavericks Johan Blignaut, 1992      *AF Press Clips*, 1982      **Etimologiewoordeboek van Afrikaans** G. J. Van Wyk, 2003      **AF Press Clips** United States Department of State. Bureau of African Affairs, 1982      *AF Press Clips*, 1982      **Agaat** Marlene Van Niekerk, 2020-12-01 I was immediately mesmerized as brilliant as it is haunting Toni Morrison In 1940s apartheid South Africa Milla de Wet discovers a child abandoned in the fields of her family farm Ignoring the warnings of friends and family Milla brings the girl Agaat into her home But the kindness is fleeting as Milla makes Agaat her maidservant and later a nanny for her son At turns cruel and tender this relationship between a wealthy white woman and her Black maidservant is constantly fraught and shaped by a rigid social order Decades later Milla is confined to her bed with ALS and is quickly losing her ability to communicate Her family has fallen apart her country is on the brink of change and all she has left are her memories and a reckoning with the only person who remains by her side Agaat In complex and devastating ways the power shifts between the two women mirroring the historic upheavals happening around them and revealing a shared lifetime of hopes sacrifices and control Hailed as an international masterpiece Marlene van Niekerk's Agaat is a haunting and deeply layered saga of resilience loyalty betrayal and how the passage of time cannot heal all wounds

**Political Geography** Kevin R. Cox, 2008-04-15 Developed out of the author's own substantial teaching experience this introduction to political geography approaches its subject matter from the standpoint of political economy and the politics of difference      The Way Of The Women Marlene van Niekerk, 2015-05-19 How can you speak when speech has been taken away When the only person listening refuses to understand Milla trapped in silence by a deadly paralysing illness confined to her bed struggles to make herself heard by her maidservant and now nurse Agaat Contrary controlling proud secretly affectionate the two women servant and mistress are more than matched Life for white farmers like Milla in the South Africa of the 1950s was full of promise newly married her future held the thrilling challenges of creating her own farm and perhaps one day raising children Forty years later the world Milla knew is as if seen in a mirror and all she has left are memories and diaries As death draws near she looks back on good intentions and soured dreams on a brutal marriage and a longed for only son scarred by his parents battles and on a lifetime's tug of war with Agaat As Milla's old white world recedes in the new South Africa her guardian's is ever more filled with the prospect of freedom Marlene Van Niekerk's is a stunning new literary voice from South Africa to compare to J M Coetzee and Nadine Gordimer      *Women's Literature* Claire Buck, 1994 The first reference guide to the extraordinary riches of women's writing through the ages and throughout the world Over 5 000 A-Z entries covering individuals works and movements      **To the Point News in Depth**, 1979      **S.A. Gunaratne, Jeffrey Lawrence, 2025-09-26 This book addresses the rise of the concept of the Global Anglophone in contemporary literary studies both as an intellectual category and as a field designation Moving beyond

traditional postcolonial frameworks it investigates how this emerging paradigm is reshaping our understanding of modern English language literature across geographical boundaries Distinguished scholars from diverse regions of the English speaking world reveal how the Global Anglophone has evolved from a subset of postcolonial studies into a comprehensive framework for examining modern literary production in English Through rigorous analysis and argumentation the contributors demonstrate how this conceptual transformation reflects broader changes in academic field structures job markets and our understanding of world literature Essential reading for literary scholars The Global Anglophone interrogates the future of English literary studies while offering valuable insights into the shifting landscape of contemporary academia It challenges conventional categorizations and proposes new ways of understanding the complex relationships among language literature and global cultural exchange The chapters in this book were originally published as a special issue of Interventions Journal of Postcolonial Studies     South African Digest ,1983     **Southern Africa Today** ,1989     The New Review ,1974
