toward a significant contemporary interpretation rather than an emphasis on what is strictly correct or traditional She reminisces about her grandmother who thought herself unworthy to lead a seder because of her limited Hebrew but presided morally at the table she urges adding an orange to the seder plate she even describes her heroic efforts to make her own gefilte fish an experiment not to be repeated Piercy offers her distinct slant on each element of the feast and provides dozens of her own wonderful recipes which she delivers in the same warm commanding voice as is heard in her poems and prose When I told Ira that I was going to explain how to cook matzoh brei he thought I was crazy Everybody knows how to make matzoh brei he said But I am of the opinion that there is no longer anything that everybody knows how to cook It is in that spirit no question too simple that Piercy welcomes readers to her kind of seder a homemade and personal affair the kind we all wish we could attend This charming and instructive book of Passover wisdom brimming with favorite dishes and Marge Piercy s own moving Passover poems and blessings invites us to look at an important Jewish ritual in a whole new way
