Conference,2004 **Academic Excellence in 21 Days** Eric Nwachukwu,2015-12-21 This book is for students who want to excel academically The guideposts and principles contained in this book will show you why and how you will become a high flying student I managed the local library of Our Lady of Fatima Cathedral Catholic Church Kano for over four years as an unqualified librarian and I see different students preparing for different exams in a mediocre way What is most shocking here is that most of these students are mediocre students due to the fact that they lack the right approach to learning studying and preparations required for academic excellence rather than the mere exertion of studies The principles in this book are no respecter of persons age gender race background or your location The results are the same to whoever would apply them It contains the distilled

essence of all that you need to know and do in your academic journey to excellence This 21 Days course has SIX stages Each Days message material is divided into different sub sections dealing with one central topic literally and in a juxtapositions context Consequently the reader is allowed to exercise his her power of association and observation of ideas presented in connection to the other sub sections and signposts illustrated in the book with the application exercises **Daily Graphic** Ransford Tetteh,2010-04-17 Graphic Sports Joe Aggrey,1998-06-12 **Daily Graphic** Yaw Boadu-Ayeboafah,2006-10-03
