Silver Mount has long beckoned explorers and adventurers from across the Inner Sea with its promises of exotic, otherworldly treasures. Yet more than treasure waits within the alien chambers within this towering ruin: here, the greatest of the Iron Gods dwells, inexorably drawing its plans against the world of flesh and preparing for its final triumphant emergence from the eons of time. With allies recruited from across the land of Numeria and the brutish rulership of its capital city for the time being cowed, the time is right for the most extensive expedition into Silver Mount's mysterious interior. What strange perils from beyond the stars await the heroes within the metal walls of one of Golarion's most legendary dungeons, and could they just be walking into an Iron God's trap? A Pathfinder Roleplaying Game adventure for 15th-level characters. The Divinity Drive concludes the Iron Gods Adventure Path. Several new monsters, an article about robots, extensive notes for how to continue your Iron Gods campaign, and Amber E. Scott's Pathfinder Journal round out this volume of the Pathfinder Adventure Path.      *Pathfinder Adventure Path* Chris Simms, 2023-06  
More scattered cards of the mysterious and powerful Harrow deck, known as the Deck of Destiny, must be gathered before those who would use the Harrow's power to alter fate itself for their own needs can get them first. But this time, the cards come to the heroes when one of their competitors grows aggressive and attacks them in their own home. Only by gathering allies, exploring an ancient ruin, and exploring a corrupted demiplane can the heroes stand a chance over their latest enemy, a demonic mercenary who's taken an apocryphal Harrow card as his own identity. The Destiny War is a Pathfinder adventure for four 14th-level characters. This adventure continues the Stolen Fate Adventure Path, a three-part monthly campaign in which a band of adventurers are thrust into the role of the defenders of destiny itself. This adventure also includes new magical items and treasures to be discovered, including another 18 powerful cards from the Deck of Destiny, and a mix of monsters to torment the player characters. Each monthly full-color softcover Pathfinder Adventure Path volume contains an in-depth adventure scenario, stats for several new monsters, and support articles meant to give Game Masters additional material to expand their campaign.
