backstory right This isn't that Although there is some wandering around that leads to recovery and redemption And hiking did happen along the way This could be A Million Little Pieces but it's not This story is actually all true Might even be Mommy Dearest but thankfully it's not even close For this story is told with heart and sensitivity In fact Walker is really about one woman's spiritual journey to open her heart and develop compassion Through it all her own gumption would be her steady companion The title of Walker evolved from a line in a poem There is no road walker you make the road by walking This phrase captures the narrative of Jill Loree's life on many levels From Proverbs and Tiny Songs You walking your footsteps are the road and nothing else there is no road walker you make the road by walking By walking you make the road and when you look backward you see the path that you never will step on again Walker there is no road Only wind trails in the sea By Antonio Machado 1875 1939 translated by Robert Bly Walker starts out with a young girl raised in a singing Lutheran family where things looked good on the outside But inside Jill Loree was struggling Later she would trudge the dreary road of destiny as the AA Big Book puts it getting sober at 26 and picking up only one white chip That's not nothing considering that most of Jill Loree's childhood memories are infused with her father's drinking Her mother on the other hand had a controlling co-dependent streak that wouldn't end Sounds dreary indeed right In her spiritual memoir however Jill Loree artfully lifts the story out of the ditch and finds the grace weaving between the lines Walker also merges in a touch of poetry her own her sons and even her Dad's adding heart depth and levity to the telling Her gentle wit and brisk writing pace keeps things moving along True to the title there's no need to sit and stew in misery Yes hard things happened along the way but there was also delight Jill Loree was a working mom who bumped up against a few bricks but managed to flow around most of them In the end her career in advertising and the corporate world would prove both challenging and rewarding her role as a mother would both exhaust and fulfill her Practically from the get go a spiritual message gets laid down and it grows sturdier as the journey unfolds From a youth spent singing in a church choir through those atheistic years of alcoholism and onto the great discovery of a transformational path called Pathwork her spiritual life has been a tenacious wildflower that keeps blooming with each new season and thriving Today Jill Loree's spiritual path is filled with the light of Christ which is what she has discovered emerges from the core of one's being after clearing away the detritus accumulated in youth Just as the Pathwork Guide said it would That's the deeper message she is now passionate about sharing and which shines through in this warm telling of the story of her life *Voices*, 1989 [Living Life with Joy in My Heart](#) Ruthann Lees, 2014-06-02 Following the sudden unexpected death of her loving husband of thirty six years a widow searches deeply for her will to live and feel again She reaches in for calm and comes out with a story of grief and body mind spirit reunion Through journaling Ruthie finds Don again and receives wisdom from Spirit Readers who have experienced the loss of a loved one or are interested in after death communication will find solace in the message The author shares her story with us compelled by her renewed desire to live feel know heal create serve and be As a retired psychotherapist I would recommend
