

"Happy to have a book about a lifetime of greatness with someone as dear as a biographer writing of his memory." Antonio Cooper's memoirs look at his 40-year life story that he lived in the heart of the South. Farmer is such a great man and in this magnificent biography, and will surely be remembered for ever as one of the very best of men."

— **John Mervin, Film Critic**

"It was an easy writing; a biography of someone as he has provided so much of his own life into his books, but Aronson-Chapman has done a brilliant job. The story goes along, as Leigh Ferrone's life did, with friends and lovers, books and journeys and parties, all smiling and glowing around him in a sunny and happy thing. And in the quieter moments we are left with something far more touching, a man who felt the world was endlessly fascinating, and who lived his life to the very end, surrounded with family and friends, and a love that was so great that it gave him."

The novel is a satire on the frontier and the East, and it is a popular example of the frontier novel.

—Bernard Williams, *Philosophy*

To be fair, Patrick Leigh Fermor remained curious and open-minded to an almost innocent degree and was a conveyor of optimism and humor to his younger admirers. His ranking as the best and most honest of the boys will be a real one."
