Patriot Survival Guide:

Alone and Unafraid Jason Hanson (Security specialist),2018 America's Survival Guide Michael Warren,2007
America was founded on certain First Principles which are the critical underpinnings of our free society the rule of law unalienable rights equality the Social Compact and limited government Supported by extensive research and fuelled by a true passion and respect for the profound vision of America s Founding Fathers Michael Warren proves how they have guided us in our journey to become the greatest and most free nation in the world He exposes how our knowledge of our principles and history has eroded to the point of near non existence and that this is a threat to our survival much more serious than what may come to us from outside our borders Warren proposes thoughtful and needed reforms to enable America to rise above the impending doom from within and reclaim the greatness envisioned by the Founding Fathers

The Complete Idiot's Guide to National Security Michael Benson,Danny O. Coulson,Allan Swenson,2003 Provides information on national security in the United States before and after the September 11 terrorist attacks *The Ultimate Guide to Understanding Terrorism and Counterterrorism* Dr. Jeffrey C. Fox,2021-07-14 This book is for anyone who is interested in learning about terrorism in all its forms For over four decades I have studied terrorism trained to deal with it dealt with it and taught it as an academic discipline Over these decades I have seen an already complicated topic become even more difficult to understand The field of study has grown as the world has gotten smaller Ask anyone what terrorism is and you will get a myriad of answers Even in academia the topic has become more convoluted As with crime there are many theories espoused as to why one commits terrorism and why terrorism exists It appears to me that many academics researchers policymakers authors and journalists in general view this topic with a tainted lens based on their own world view Some act as apologists for terrorists while often doing so in a subtle manner Some try to expand the definition and concept well beyond the scope that it should be found I have students who do this all the time We seem to be living in an emotion driven society instead of a fact driven one A relatively new trend is to use the word extremist as a synonym for terrorist There are several problems with this First this creates a net widening effect which lumps those who we disagree with in that net Second who gets to decide who or what is extreme Third and finally it waters down and muddies the study of terrorism This does not mean that an extremist might not become a terrorist Having pointed out the minefield terrorism can be my goal is to offer an academically sound real world fact based explanation on terrorism Terrorism can be a politically charged topic I ask that as you read this book you check what is written digest it and make your own decisions on what you have read It is highly likely some of your thinking will be challenged When I began to teach homeland security which includes terrorism I made a promise to myself that I would never be politically correct Political correctness is what some terrorists rely on and is one of our worse habits We will cover several overarching themes We will look at what terrorism is and is not We will explore the historical roots of terrorism We will

discuss the causes of terrorism as well as terrorist typologies Next we will examine domestic terrorism and international and ethnic terrorism Then we will dive into religion and terrorism and spend time looking at Islamic terrorism and Jihad We will examine asymmetric warfare including terrorists tactics and weapons of choice We will discuss terrorist financing and explore counterterrorism *The American Patriot's Treasury of Historical Thanksgiving Dinner Ideas* Carrie Franzwa, 2009-08-01

This unique primer on re-creating authentic elements of 1621 New England life brims with first-of-a-kind ideas for turning Thanksgiving into a time-travel celebration Franzwa reveals a treasure trove of resources and tips for reintroducing early English and Native American culture to this cherished national holiday Readers are inspired to experience for themselves the charming pleasures of making period decorations and utility items playing antique games preparing and tasting early New England foods using 1621 language etiquette music and dance and sitting at a table set in old-world style You will even discover how to authentically add 17th-century pirates to the mix An exhaustive resource that is historically accurate and culturally responsible toward American Indians and African Americans Expanded second edition Softcover perfect bound Also available in spiral bound see alternative Lulu.com listing same title **Encyclopedia of American Civil Liberties**

Am I Crazy? Chad Prather, 2021-10-12 The World needs Chad Prather more than ever He's a throwback to a saner and more fun-loving America His rants are OUR rants Charlie Kirk Chad Prather a modern-day Will Rogers is just your friendly neighborhood cowboy philosopher gazing into the sweet tea leaves at the bottom of his cowboy hat pondering a most fundamental question Am I crazy Or is the world crazy Chad finds life amusing baffling sometimes heartwarming and downright interesting and wants to share personal stories and witty observations on the hasty growth of insanity within the folds of society and inspire critical thinking about the state of our modern culture In this series of humorous essays reminiscent of the rants he is famous for doing from his truck in Texas Chad takes on all the problems he has with the modern age and also talks about some of the problems that we have with each other Problems with kids problems with spouses problems with our bosses at work and of course problems with all those other jackwagons we work with What are some of the basic things you need to know if you're going to survive marriage and parenthood Whatever happened to decency hard work and a sharing of the basic values that made us great in the first place When did it become unfashionable to believe in God to go to church on Sunday or to send our thoughts and prayers toward those having a difficult time When

did it become child abuse to spank your kids instead of child abuse to avoid it Why do we have such visceral reactions to politics when by and large we know so little about how it actually works When is social media going to finally stop messing around and just bring the full on possession And why is it that as we march further and further along the road of progress growing our collective knowledge and technological means of dealing with life along the way we seem to be regressing socially at an equally break neck pace AM I CRAZY An Unapologetic Patriot Takes on the Insanity of Today s Woke World explores human misbehavior and stupidity in all its naked splendor with laugh out loud humor JOIN THE CHAD PRATHER POSSE

Genre Studies in Mass Media: A Handbook Art Silverblatt,2015-01-28 The study of various types of programming is essential for critical analysis of the media and also offers revealing perspectives on society s cultural values preoccupations behavior and myths This handbook provides a systematic in depth approach to the study of media genres including reality programs game shows situation comedies soap operas film noir news programs and more The author addresses such questions as Have there been shifts in the formula of particular genres over time What do these shifts reveal about changes in culture How and why do new genres such as reality TV shows appear Are there differences in genres from one country to another Combining theoretical approaches with concrete examples the book reinforces one s understanding of the importance of genre to the creation evolution and consumption of media content Each chapter in this reader friendly book contains a detailed discussion of one of the theoretical approaches to genre studies followed by Lines of Inquiry which summarizes the major points of the discussion and suggests directions for analysis and further study Each chapter also includes an example that illustrates how the particular theoretical approach can be applied in the analysis of genre The author s careful linkage of different genres to the real world makes the book widely useful for those interested in genre study as well as media and culture television studies film studies and media literacy

Womanhoods and Equality in the United States Christen Bryson,Anne Légier,Amélie Ribieras,2024-03-15 Womanhoods and Equality in the United States explores how the idea of equality has evolved along with the debates that have animated contemporary American women s history This book argues that womanhood is neither a unified concept nor a monolithic experience but rather a multifaceted notion This collection thus looks at this plural dimension of womanhood womanhoods with a special focus on equality as a common goal The authors question what equality means depending on many factors such as race class sexuality education marital or parental status physical appearance and political orientation and address timely issues including abortion rights Black womanhood and sexual violence on college campuses Womanhoods and Equality in the United States is an essential resource for academics and students in gender studies American sociocultural history and the sociology of social movements
