Patrology Volume The Beginnings Of Patristic Literature:

Patrology Vol. I The Beginnings of Patristic Literature Johannes Quasten, 1960 **Patrology: The beginnings of patristic literature** Johannes Quasten, Angelo Di Berardino, 1986 This monumental series places at the disposal of the English reading public a solid introduction to early Christian literature It is the first work of its kind written originally in English The first volume appeared in 1950 Reviewers were unanimous in heaping praise upon the publication and looking upon it as a break through in studying the Fathers of the Church To arouse interest in the works of the Fathers the author provides numerous excerpts in English These are thought of as samples that by giving readers a taste of the beauty and sublimity of the Patristic writings may tempt them to take in hand the original and get their own impression of it or if that is too much for them at least to read it in good translation Only this if achieved will put readers close to Patristic literature because only then do they sense the atmosphere of Christian antiquity and begin to penetrate its world The author's experiences as a university professor prompted him to adopt this device The selections are designed to also show the development of theology in the early centuries and to illustrate the approach of the Fathers to the deposit of faith

Patrology, by Johannes Quasten,... Vol. I. The Beginnings of Patristic Literature Johannes Quasten, 1951 **The Early Church at Work and Worship, Vol I** Everett Ferguson, 2014-08-28 Many recognise Everett Ferguson as the definitive voice on early Christianity patristic writing and ecclesiology The Early Church at Work and Worship is a challenging collection broad in scope and formidable in depth This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands Practices of Ordination and attitudes to religious schism in antiquity are analysed by the scholar in this collection which not only includes articles and publications from various sources but also previously unpublished material **The Early Church at Work and Worship - Volume 1** Everett Ferguson, 2013-01-22

This is the first volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands Studies in the Archaeology and History of Caesarea Maritima Joseph Patrich, 2011-09-20 Caesarea Maritima the capital of the Roman province of Judaea Palaestina was founded in 10/9 BCE by Herod the Great to serve as an administrative and economic center It was named after his Roman patron Caesar Augustus the first Roman emperor The book well illustrated presents the results of the large scale excavations at the site during the 1990's and early 2000's in their wider historical and cultural context the architectural evolution and transformation of the thriving city from its foundation to its decline caused by the Arab conquest 640/41 CE its conversion to a Roman colony in 71 CE aspects of provincial administration commerce and economy entertainment and religious life of its communities Jews Pagans Christians and Samaritans *The New Prophecy and "New Visions"* Rex D. Butler, 2011-02 In this book Rex D Butler examines the Passion for evidence of Montanism and proposes that its three authors Perpetua Saturus and the unnamed editor were Montanists

Confession Patrick W. Carey, 2018-09-05 Confession is a history of penance as a virtue and a sacrament in the United

States from about 1634 when Catholicism arrived in Maryland to 2015 fifty years after the major theological and disciplinary changes initiated by the Second Vatican Council 1962-1965. In the years since the Council penitential language has been overshadowed increasingly by the language of conflict and controversy. In today's social and political climate Confession may help Americans understand how much their society has departed from the penitential language of the earlier American tradition and consider the advantages and disadvantages of such a departure.

Index to Vigiliae Christianae Volumes 1-50 (1947-1996) Johannes van Oort, 2024-04-15. This index provides the reader with a detailed survey of fifty years of scholarly work as published in the leading journal in the field of Patristic and Early Christian studies. One of the most valuable features of this volume is the exhaustive index on patristic sources which have been treated in the journal during the past fifty years. The volume further contains indexes on classical sources and on biblical texts and Jewish sources as well as full indexes of all the authors' articles and book reviews. The publication of this index gives you the opportunity to add enormous value to the collection of *Vigiliae Christianae* volumes on your shelves.

Spirit Christology and Trinity in the Theology of David Coffey Declan O'Byrne, 2010. *Studies in Theology Society and Culture* invites scholarly contributions to themes including patterns of secularisation, postmodern challenges to religion, and the relation of faith and culture. From a theological perspective it seeks constructive re-interpretations of traditional Christian topics including God, creation, salvation, Christology, ecclesiology in a way that makes them more credible for today. It also welcomes studies on religion and science and on theology and the arts.

Honor, Shame, and the Gospel Christopher Flanders, Werner Mischke, 2020-10-27. An Honorific Gospel: Biblically Faithful, Culturally Relevant. Christians engaged in communicating the gospel navigate a challenging tension: faithfulness to God's ancient revealed Word and relevance to the local, current social context. What if there was a lens or paradigm offering both? Understanding the Bible particularly the gospel through the ancient cultural language of honor/shame offers believers this double blessing. In *Honor, Shame, and the Gospel*, over a dozen practitioners and scholars from diverse contexts and fields add to the ongoing conversation around the theological and missiological implications of an honorific gospel. Eight illuminating case studies explore ways to make disciples in a diversity of social contexts: for example, East Asian rural, Middle Eastern refugee, African tribal, and Western secular urban. *Honor, Shame, and the Gospel* provides valuable resources to impact the ministry efforts of the church locally and globally. Linked with its ancient honor/shame cultural roots, the gospel paradoxically is ever new, offering fresh wisdom to Christian leaders and optimism to the church for our quest to expand Christ's kingdom and serve the worldwide mission of God.

The Resurrection of the Body in Western Christianity, 200-1336 Caroline Walker Bynum, 2017-11-21. A classic of medieval studies, *The Resurrection of the Body in Western Christianity, 200-1336* traces ideas of death and resurrection in early and medieval Christianity. Caroline Walker Bynum explores problems of the body and identity in devotional and theological literature, suggesting that medieval attitudes toward the body still shape modern notions of the individual. This expanded edition

includes her 1995 article *Why All the Fuss About the Body A Medievalist's Perspective* which takes a broader perspective on the book's themes It also includes a new introduction that explores the context in which the book and article were written as well as why the Middle Ages matter for how we think about the body and life after death today *The Tyranny of Time?* D. Jeffrey Bingham,2024-12-02 In a day fascinated with questions of historiography and with explicating a distinctive Christian philosophy of time and history Henri Charles Puech's 1950s work on Gnosis and time found an audience Studying four second century texts he marked as Gnostic he argued for the Gnostic anti cosmic anti historical pessimism about existence within the tyrannical temporal world of bondage and error Bliss and truth were otherworldly and atemporal This book reassesses Puech's argument by analysis of the writings undergirding his sample and a wide array of second century Christian and Gnostic Christian texts that display not the Gnostic view as if there were one but a broader second century theological discussion regarding time world and knowledge manifesting a spectrum of perspectives A review of past and present scholarly discourse that evoked discussions of Gnosticism and anti cosmism and informed Puech's thesis begins the volume along with study of his own thesis A discussion of the academy's reception of Puech then follows The close reading of early pertinent texts forms the heart of the work arguing for eight discernible models of history time and world that arose within the second century intellectual debate *THE MARTYRDOM OF POLYCARP* Edward D. Andrews,2023-04-19 The Martyrdom of Polycarp is a riveting account of the life teachings and ultimate sacrifice of Polycarp an early Christian leader and disciple of the Apostle John This inspiring historical narrative delves deep into the struggles and triumphs of one of the most influential figures in the early Church who played a crucial role in preserving and disseminating the teachings of Jesus Christ Through meticulous research and captivating storytelling this book presents a vivid portrayal of the early Christian community its core beliefs and the unwavering commitment of its leaders like Polycarp to uphold the faith amidst a hostile and often violent environment Readers will be transported back to the tumultuous times of the Roman Empire where Christians faced persecution and martyrdom for their beliefs At the heart of this narrative is Polycarp whose unwavering faith and dedication to the teachings of Christ led him to confront heresies mentor future Church leaders and ultimately face a brutal death at the hands of Roman authorities The story of Polycarp's martyrdom serves as a testament to his unshakable faith and an inspiration for modern day believers reminding them of the sacrifices and courage of the early Christians The Martyrdom of Polycarp A Disciple of the Apostle John is an essential read for anyone interested in early Christianity Church history and the lives of the saints who shaped the foundation of the faith Immerse yourself in the inspiring story of Polycarp and discover how his unwavering devotion to Christ left an indelible mark on the Church and its teachings *The Early Christian World* Philip Esler,2017-07-20 Since its publication in 2000 *The Early Christian World* has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are

retained These include the book's attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come

The Interpretation of the Old Testament in Greco-Roman Paganism John Granger Cook, 2004 According to the available evidence not many pagans knew the Greek Bible Septuagint before the advent of Christianity Those pagans who later became aware of Christian texts were among the first according to the surviving data to seriously explore the Septuagint They found the Bible to be difficult reading The pagans who reacted to biblical texts include Celsus II C E Porphyry III C E and Julian the Apostate IV C E These authors thought that if they could refute one of the primary foundations of Christianity namely its use or interpretation of the Septuagint then the new religion would perhaps crumble John Granger Cook analyzes these pagans' voice and elaborates on its importance since it shows how Septuagint texts appeared in the eyes of Greco-Roman intellectuals Theirs was not an abstract interest however because they knew that Christianity posed a grave danger to some of their dearest beliefs self understanding and way of life

Light in Darkness Alyssa Lyra Pitstick, 2007-02-12 He descended into hell Hans Urs von Balthasar one of the most influential theologians of the twentieth century placed this affirmation of the Nicene Creed at the heart of his reflection on the world altering events of Holy Week asserting that this identification of God with the human experience is at the absolute center of the Christian faith Yet is such a descent to suffering really the essence of Catholic belief about the mystery of Holy Saturday Alyssa Lyra Pitstick's *Light in Darkness* the first comprehensive treatment of Balthasar's theology of Holy Saturday draws on the multiple yet unified resources of authoritative Catholic teaching on Christ's descent to challenge Balthasar's conclusions Pitstick conducts a thorough investigation of Balthasar's position that Christ suffered in his descent into hell and asks whether that is compatible with traditional teaching about Christ *Light in Darkness* is a thorough argument for the existence and authority of a traditional Catholic doctrine of Christ's descent as manifested in creeds statements of popes and councils Scripture and art from Eastern and Western traditions Pitstick's carefully argued contrarian work is sure to spur debate

across the theological spectrum *The History of Apologetics* Zondervan, 2020-06-16 ECPA Christian Book Award 2021 Finalist Biography Memoir Explore Apologetics through the Lives of History's Great Apologists The History of Apologetics follows the great apologists in the history of the church to understand how they approached the task of apologetics in their own cultural and theological context Each chapter looks at the life of a well known apologist from history unpacks their methodology and details how they approached the task of defending the faith By better understanding how apologetics has been done readers will be better able to grasp the contextualized nature of apologetics and apply those insights to today's context The History of Apologetics covers forty four apologists including Part One Patristic Apologists Part Two Medieval Apologists Part Three Early Modern Apologists Part Four 19th C Apologists Part Five 20th C American Apologists Part Six 20th C European Apologists Part Seven Contemporary Apologists *Know Yourself* Ole Jakob Filtvedt, Jens Schröter, 2023-12-31 The book explores ancient interpretations and usages of the famous Delphic maxim know yourself The primary emphasis is on Jewish Christian and Greco Roman sources from the first four centuries CE The individual contributions examine both direct quotations of the maxim as well as more distant echoes Most of the sources included in the book have never previously been studied in any detail with a view to their use and interpretation of the Delphic maxim Thus the book contributes significantly to the origin and different interpretations of the maxim in antiquity as well as to its reception history in ancient philosophical and theological discourses The chapters of the book are linked to each other by numerous cross references which makes it possible to compare the different views of the maxim with each other It also helps readers to notice relationships and trajectories within the material The explorations of the relevant sources are also set in the context of ongoing debates about the shape and nature of ancient conceptions of self and self knowledge The book thus demonstrates the wide variety of philosophical and theological approaches in that the injunction to know oneself could be viewed and how these interpretations provide windows into ancient discourses about self and self knowledge *Ancient Apologetic Exegesis* Stuart Parsons, 2015-02-05 New Testament scholarship uncovers much about first century Christianity Early Christian masters such as Origen and Augustine draw great attention to the third and following centuries Yet oddly despite this flood of attention to both the first century and to the third and later centuries the second century often escapes notice this despite its almost living memory of Jesus and his apostles from only a generation or two prior A distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Along with introducing the general shape of this ancient apologetic exegesis *Ancient Apologetic Exegesis* aims at its recovery as well Current literature often misunderstands or dismisses second century exegetical approaches But by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis
