Pattaya Short Stories:

Pattaya Short Stories Peter Torjesen, 2014-11-16 Pattaya love it or hate it this steaming city by the sea possesses a rich tapestry of characters and events presenting the perfect stage for a fiction author to write about The print version of *Pattaya Short Stories* combines both volumes of the original ebooks There are five richly entertaining tales of scams greed corruption and treachery in the city of sin Join Alex as he engages in a life threatening pursuit of a Nigerian scam artist Experience the hopelessness of Gerhard as he butts heads with Pattaya mafia and tries to flee Have a drink in The Liar s Pub and get to know the interesting tales from the pub s regulars Fall in love with a bar girl and learn how easily money can corrupt a relationship in this case with potentially fatal consequences Finally live it up large with John in his million dollar beach house successful business and questionable morals How far will John go to get what he wants and at what price

Thailand-Newbie Sawas Dee, 2016-11-26 The German author is presenting the English translation of his successful serial book *Thailand Neuling* In an entertaining way Sawas Dee brings us closer to the culture and mentality of Thai people His stories about Thai girls give an amazing view on the life of an expat in Pattaya *A Fool's Diary* Neil Hutchison, A hilarious romp through a year of expat living in Pattaya Thailand Imagine leaving the comfort zone of your home family and friends to venture into the unknown Imagine discovering an alien paradise only to realize that here you are the alien who has to try to fit into your new environment Imagine stumbling through a year of discovery among a tapestry of blunders and imagine that all the while you don t have a clue what you are doing That takes a lot of imagination but not for *The Fool* By the author of the best selling *Money Number One* this book is the third in a trilogy of titles following *The Fool in Paradise* theme In this instance Paradise refers to the Kingdom of Thailand and *The Fool* of course is the author The first in the series *A Fool in Paradise* was published in November 2003 It is a collection of 39 short stories about life in Thailand with particular attention to the entertainment scene in Pattaya The second *A Fool is Back* came out in December 2004 and contained a further 32 stories along a similar vein concentrating on fun and humour Finally after many delays due primarily to the bone laziness of the author *A Fool s Diary* is born More than a collection of tales it chronicles a year in the life of a simple man sometimes insightful sometimes philosophical but always with a dry wit that takes no prisoners **Pattaya : Two Week Millionaire**

Ida-Mae Mann, 2025-06-08 *The Two Week Millionaires* Every year thousands of men grey at the temples eyes lined with the stories of a life already half lived arrive in Pattaya stepping off the plane with dreams of a new beginning They come from London Manchester Sydney New York anywhere the years had started to weigh too heavily on their shoulders Here in this neon lit paradise the burdens of age feel lighter They land with fat pensions redundancy payouts or nest eggs cashed in early ready to spend like kings in a city built for pleasure And spend they do The rst few months are a blur of beachfront condos cold beers at dawn and the kind of attention they haven t had in decades In Pattaya they are reborn aunting wealth like it s innite slipping banknotes across bars and into hands that welcome them with practiced affection These are the Two Week

Millionaires men who for a time forget that life isn't a holiday They buy the drinks the dinners the companionship They tip too much and care too little The city feeds off their excess a glittering machine designed to give them exactly what they want as long as they can pay for it But money is not as endless as the nights here Some learn this lesson too late The dream of a fresh start becomes a slow unraveling Bank accounts drain habits set in and the men who once strutted through Walking Street like emperors begin to fade into the background For some it ends in quiet ruin For others it's simply another chapter another reinvention Pattaya welcomes them all It never judges It never warns It just watches waiting for the next plane to land

Pattaya Voices and Vices Jonathan Finch, 2018-09-07 Essays stories and articles about Thailand and in particular about Pattaya The writer takes a critical look at Fun City Pattaya

at its drug like pull and warns readers and punters alike of the alluring dangers of the city Some articles contrast Thailand with Britain establishing why living in Thailand is preferable to living in the highly repressive regime of the UK However common sense and moderation are extremely important if catastrophes are to be avoided in Pattaya catastrophes that include accidents financial ruin long term illness and worse The collection includes voices and vices not just the author s voice and vice but multitudinous characters voices and vices Pattaya alcohol heat sex endless partying and ambiguity can indeed drive punters mad The collection of voices essays blogs discourses articles and observations may enable the discerning to avoid some of the most common mistakes people make in an extreme city like Pattaya Even if given a mere general read the collection should act as a brake and break to and from the merry go round of endless sensation with little or no commitment Although not overtly moralistic the book is seriously comic and comically serious Flippant cannot describe the tone of voice of Mixed Massages I Messages and massages abound and astound **The Fool is Back** Neil Hutchison, The study of human stupidity is not a new science but it certainly makes fascinating reading An interesting thing about the human race is that if there is a way to screw up someone will eventually stumble upon it Enter the fool By the author of the Pattaya best seller Money Number One and the updated Money Still Number One this the sequel to A Fool in Paradise adding a further 32 stories to the colourful tapestry that is Pattaya Thailand In the opinion of many people including the author Pattaya is the most wonderful place on the planet As with A fool in Paradise the stories are all true or based on true events A Brief History of Pattaya takes a lighthearted look at what the history books don t tell you whereas Miss Goodbar offers advice to foreign men on how to choose woo and cohabit with their Thai dream girl Boys at Play is the unofficial unauthorized and unholy account of one holiday of lifetime When you take six mischievous Aussie mates add ten days of unsupervised freedom and put them together in South East Asia s number one party town you get a true adventure of unbelievable proportions full of fun laughter love sex and tragedy Why tragedy Because none of them could ever speak about it except amongst themselves Apart from one photograph this remains the only record of their tale So pull up a chair take your shoes off and relax For your reading pleasure The Fool is Back Bangkok Baby - The Inside Story of Ladyboys David Bonnie,2014-10-10 The acclaimed TV documentary series From my first day of walking the streets of Bangkok I was amazed by what I saw Beautiful Ladyboy prostitutes monks in saffron robes shrines to Buddha and Ganesh the smell of cooking and incense everywhere This is my journey so far From a na ve tourist falling in love with the wrong kind of girl to turning my back on Thailand s night life discovering Thai culture and finding a ladyboy I could trust Together Annie and I featured in Ladyboys Sky Living Television s acclaimed documentary series What happened behind the scenes and how it confirmed my life choices as well as shedding light on the transgender community in Thailand makes up a part of the story Read more about what Annie and I are doing now and everything you need to know about Thai Ladyboys at www.davidbonnie.com **The Final Call** Leo Hickman,2008-09-04 No industry in the world employs more people or is the world s largest foreign currency earner

than tourism Long billed as the cleanest industry for developing countries to invest in tourism seems to offer everyone involved a positive experience This is the official line anyway In truth the reality is much more complex For The Final Call Hickman travels the world on a range of holidays and finds that behind the sunny facade of pools smiling locals sightseeing trips and exquisite cuisine is an ugly reality and it is spreading unchecked to all corners of the globe But none of us are going to stop holidaying and at the heart of this is a heartfelt attempt to discover the best way to holiday wherever you are

Residence Magazine Vol. 9 , Summy Breakaway Top Reasons To Live In Thailand **A Fool in Paradise** Neil Hutchison,2011-02 Following hot the heels of his best seller Money Number One Neil Hutchison continues his in depth investigation into the tourist playground of Pattaya This collection of short stories originally published individually under the pseudonym A Fool in Paradise form a collage of insights into the machinations of this fantastic city on the eastern seaboard of Thailand Anyone who has read Money Number One will enjoy this follow up book as it reinforces the conclusions drawn and advice presented in the former through the personal experiences of the author The tales are fast paced humourous well written and ALL TRUE Well almost Sir Winston Churchill quipped that Success consists of going from failure to failure without loss of enthusiasm If that is true then Neil is a success story because his love and enthusiasm for Pattaya and its people has not diminished over the years The highs lows ups downs laughter and tears portray a convincing analysis of the human condition As Neil says Pattaya is to a writer what a room full of fruit bowls is to an artist The last story Footprints in the Sand is a particularly poignant tale of just how the city can affect its visitors and guests even those who should know better Written with his heart firmly on his sleeve it proves that no matter how smart we think we are or how old we get we just never learn This tale is a must read for any foreign male contemplating a long term liaison with a Thai lady

Singapore Horror Stories Loo Si Fer,2011-12-01 Previously published in print as Paranormal Singapore the ten stories and letters in this collection of horror are sure to scare the life out of you Set entirely in Singapore these accounts of vampires ghosts murderers and demons come with a health warning be warned they may frighten you to death Bangkok and the Vampires of the Night Dante X,2019-08-25 If you re on your way to heaven and your plane stops at Thailand Get Off This is a book I ve been meaning to write for quite a long time and really enjoyed recalling some of my most interesting and erotic memories Living in the Sukhumvit road area of Bangkok between Soi 1 to Soi 23 for 10 years was an experience I will never forget You can add to that a further 12 years of Pattaya Phuket and the North East of Thailand but all these stories are about what happened in Bangkok At the time I was in my mid 30 s and married to a nice but typically expensive Thai girl of whom I ended up divorcing 5 years later because of her gambling and many other money related issues During those years I d lived in about 30 different apartments and god knows how many long and short term hotels had several long term girlfriends and totally lost count of how many short term girlfriends it s probably in the two to three hundred range The stories and girls in this book are just a very small sample of the more interesting encounters that I can remember There are

many more that I don't remember because of being too drunk or they were simply non eventful or incredibly boring Firstly If you've never been to Thailand you need to understand WHY middle aged and a hell of a lot of divorced guys go to Thailand to live or holiday several times a year It's a bit like a drug I suppose once you've been once and understand the game you can't really find anywhere better so you keep going back And once you've experienced countless 18 to 25 year old girls chasing you even if you're old or overweight or ugly or if you only have one leg and two heads So long as you are willing to pay for their services You can virtually have anyone you want Strictly 18 Adults only 17 800 words **Moonlight Serenades** Thom Carnell,2016-05-19 In this collection of short stories by Carpe Noctem publisher Fangoria Dread Central contributor and No Flesh Shall Be Spared author Thom Carnell we present seventeen stories of the otherworldly seventeen tales of the supernatural designed to chill consternate and entertain you From returning heroes three stories feature Cleese the iconic hero of No Flesh Shall Be Spared mountain ghosts zombies and vampires on the hunt to a world where social stature is determined by what kind of clown you are MOONLIGHT SERENADES heralds Thom Carnell's triumphant return to fiction writing *Nostalgia Now* Michael Hviid Jacobsen,2020-02-25 This volume explores the nature of nostalgia as an important emotion in contemporary society and social theory Situated between the sociology of emotions and nostalgia studies it considers the reasons for which nostalgia appears to be becoming an increasingly significant and debated emotion in late modern culture With chapters offering studies of nostalgia at micro meso and macro levels of society it offers insights into the rise to prominence of nostalgia and the attendant consequences Thematically organised and examining the role of nostalgia on an individual level in the lives of concrete individuals as well as analysing its function on a more historical social level as a collective and culturally shared emotion Nostalgia Now brings together the latest empirical and theoretical work on an important contemporary emotion and proposes new agendas for research As such it will appeal to scholars of sociology social theory psychology and cultural studies with interests in the emotions *Megan's School Exams* Owen Jones,2025-04-26 The Psychic Megan Series consists of twenty four novelettes about a young girl's growing realisation that she is able to do things that none of her family can Megan is twelve years old in the first volume She has two seemingly insurmountable problems Her mother is frightened of her daughter's latent abilities and not only will not help her but actively discourages her and she can't find a teacher to help her develop her supernatural psychic powers For she wants not only to know what it is possible to do and how to do it but to what end she should put her special abilities Megan is a good girl so it would seem obvious that she would tend towards using her powers for good but it is not always easy to do the right thing even if you know what that is These stories about Megan will appeal to anyone who has an interest in psychic powers the supernatural and the paranormal and is between the ages of ten and a hundred years old In Megan's School Exams it is exam time for Megan our psychic teenager and she is very nervous because she has never sat a real exam before Both Grrr her ghost tiger and her father try to calm her but she is making herself ill with worry She is worried that she will let everyone

down especially her parents and teachers because they all consider her bright How ever will she get over this serious impediment to her future The Widow's Strike Brad Taylor,2014-06-03 Taskforce operators Pike Logan and Jennifer Cahill race to stop a global pandemic in this fast paced thriller in the New York Times bestselling series Invented by nature and genetically manipulated by man a highly lethal virus has just fallen into the wrong hands Angered by sanctions placed against its nuclear program a rogue state is determined to release the virus The only thing standing in its way is the extralegal counterterrorist unit known as the Taskforce But as they follow the trail of the virus across Southeast Asia to the United States the Taskforce soon learns that the enemy they face may not be the enemy they should fear Isan Writers, Thai Literature Martin B. Platt,2013-08-20 Regional characteristics and regional language feature prominently in discussions of Thai identity but there is little mention of regional literatures In northeastern Thailand s Isan region authors write primarily in Thai but it is possible nonetheless to identify an Isan literature which played a significant and at times pivotal role in the development of Thai literature in the second half of the twentieth century as authors grappled with how their origins and experiences related to the Thai centre Martin Platt s account of Isan literature is an important first step toward a broader study of regional literatures in Thailand and shapes a model that has relevance for examining literary works in other Asian countries
