**The Only Way to Win** Jim Loehr, 2012-05-15 The conditioning begins early in our lives. Great achievements will bring lasting happiness and fulfillment; great achievements form the bedrock of stable self-esteem and strong character; great achievements will become the foundation for a successful life. If these well-intentioned promises are true, why does winning never seem to be enough? In *The Only Way to Win*, Jim Loehr draws upon two decades of work with Fortune 500 executives, world-class athletes such as Monica Seles, Dan Jansen, and Eric Lindros, and other high achievers at the Human Performance Institute (HPI) to reveal surprising insights about achievement motivation. Specifically, Loehr finds that the blind pursuit of external achievement often results in emptiness, addiction, and ironically, poor performance. It's not really about what you achieve; he argues, it's about who you become as a consequence of the chase. From the bestselling author of *On Form* comes a compelling, practical, and hopeful read filled with relatable stories and useful exercises. *The Only Way to Win* will serve as a powerful wake-up call for business leaders, employees, teachers, and coaches. It will also provide inspiration for readers looking to perform better, achieve more, and change both their own lives and those of the people they influence.
