Strategic Human Resource Development Matthias T. Meifert,2014-01-20 In an era that has brought new and unexpected challenges for virtually every company one would be hard pressed to find any responsible manager who is not thinking about what the future will bring In the wake of these challenges strategic planning has moved from being the reserve of large corporations to becoming an essential need for even small and medium sized enterprises But what good is even the most convincing strategic concept if the company s people are unwilling or unable to put it into practice The key is to develop people and to develop them not only for the work of today but also for the challenges that the future holds Strategic HR development has become a decisive force for the success of any business This book edited by Matthias T Meifert shows us which basic considerations we need to remember and what strategic HR development means in practice Its interesting and vivid approach takes the reader on a tour of the eight stages of HR development introduces the critical factors and highlights many practical recommendations for strategic HR development practice in business **Business Ethics** Denis Collins,2017-11-27 Business Ethics Best Practices for Designing and Managing Ethical Organizations Second Edition focuses on how to create organizations of high integrity and superior performance Author Denis Collins shows how to design organizations that reinforce ethical behavior and reduce ethical risks using his unique Optimal Ethics Systems Model that outlines how to hire and train ethical employees make ethical decisions and create a trusting productive work environment Taking a practical approach this text is packed with tips strategies and real world case studies that profile a wide variety of businesses industries and issues New to This Edition Premium Ethical Dilemma videos located in the Interactive eBook challenge students to practice their ethical reasoning and ethical decision making skills New case studies tackle complex ethical issues through real world companies such as the NFL Wells Fargo Exxon Mobil and Volkswagen New chapter opening ethical dilemmas based on real situations allow students to grapple with the grey areas of business ethics Optimal Ethics System Check Up surveys summarize the best practices discussed in the chapter to allow students to assess benchmark and continuously improve their own organization Ethics in the News activities profile real world events such as United Airlines removal of a passenger on an overbooked flight to challenge students to think critically about how they would respond in a particular situation Up for Debate features highlight contentious issues that students encounter in real life such as Facebook privacy **The ABCs of Not-For-Profit Accounting and Financial/990 Reporting** Laurence Scot,2024-12-30 Written in non complicated prose and reducing complex rules to easily understandable concepts this book offers a fundamental understanding of how not for profit NFP organizations are formed their structure and the unique accounting and reporting issues they face In the United States the NFP sector accounts for just over 10 percent of all private sector workers and NFPs must comply with hundreds of rules imposed by the IRS federal and state government agencies foundations and even donors Yet there is a dearth of informative guidance and a shortage of knowledgeable bookkeepers and

accountants who understand the nuances of NFP accounting and financial reporting Neither overly technical nor complex this comprehensive and easy to read practical guide provides desperately needed information to a wide range of NFP stakeholders such as those who handle the bookkeeping and accounting functions manage an NFP organization provide funds or services to NFPs or regulate NPF organizations It covers topics such as the four required NFP financial statements accounting for different types of revenue including conditional restricted and in kind donations and sponsorships IRS reporting on forms 990 990 T and 990 PF and how to understand and prepare for different types of audits Including a glossary of important terms that are vital to running a successful NFP and drawn from the author s decades of experience focused solely on the NFP sector this is an indispensable guide for NFP leaders and staff donors and grantors regulatory agencies consultants accountants bookkeepers bankers and any professionals whose work intersects the NFP sector
