*Organization and Administration of Physical Education* Jayne D. Greenberg, Judy L. LoBianco, 2025-03-11 The revised SHAPE America National Physical Education Standards are defining physical education PE programs providing the framework for students physical literacy journeys Organization and Administration of Physical Education Theory and Practice Second Edition With HKPropel Access incorporates the revised standards making it the text administrators need to learn how the standards affect curriculum development and implementation of a successful PE program This edition is thoroughly updated by two award winning educators Jayne Greenberg and Judy LoBianco who are joined by a sterling list of contributors who have taught at every education level in urban suburban and rural settings In this second edition the roles and responsibilities of PE administrators are examined through theoretical and practical lenses

Beyond incorporating the revised PE standards and the latest research throughout other enhancements to this edition include the following

- An expanded technology chapter that addresses equity and the digital divide remote learning virtual and augmented reality and artificial intelligence
- A more comprehensive chapter on teacher and program evaluation
- A new chapter on social emotional learning SEL with connections between content pedagogy and practices
- A new chapter on diversity equity and inclusion that provides culturally responsive teaching approaches to elevate the participation of underrepresented teachers and students
- New content for physical education department chairpersons

The result is an essential manual for future and current administrators in PE leadership positions who want to acquire new skills in the primary six areas of responsibility

Part I explores leadership and management styles and presents practical theories of motivation development and planning for the essential components of a quality PE program

In part II readers examine various curriculum instruction and assessment models and get guidance on planning special events

Part III helps administrators plan new school facilities or renovate existing ones and it presents contemporary concepts in universal design and sustainable environmental design

It also offers ideas on how to incorporate technology including developing online PE courses

Part IV explores communication legal issues and human resources so administrators can learn how to advocate for their programs

Part V explains the fiscal responsibilities inherent in administrative positions and shows how administrators can secure independent funding offering many examples of grants and fundraising opportunities with sample grant applications

Part VI new to this edition explores the integration of content and pedagogy with SEL practices

It also offers legal and practical strategies to enhance the involvement of those who are underrepresented in PE

Each chapter also includes sidebars from professionals who share tips and insights on successful program implementations

To further enhance practical application readers have online access to downloadable forms checklists and other supportive materials

Published with SHAPE America this text offers the solid foundational theory and practices needed for today's challenges in PE administration
