Davis, 2022. The book highlights a common discourse running through the sources that underpinned this collective representation of how human beings experienced the divine, and it demonstrates a continual effort across large swathes of English religion to prepare an individual's soul for an encounter with the divine through different spiritual disciplines and devotional practices. Over a period of several centuries, this discourse and the larger culture of revelation provided an essential structure and legitimacy both to contemporary claims of divine revelation and the biblical precedents that contemporary experiences were modelled after. This discourse detailed the physical, metaphysical, and epistemological features of how a human being was understood to experience divine revelation, providing a means to delimit and define what happened when an individual was raptured by God. **Charlotte Dacre: The Passions** Jennifer L. Interested only in submissive, uneducated, and unworldly women, Wiemar rejects Appollonia in favour of Julia, a simple woman whose primary joy in life is to obey her husband's will. Despondent and then furious, Appollonia vows revenge, becoming Julia's intimate confidante, opening her eyes to the limitations of patriarchy, and convincing her that her growing feelings for Count Darlowitz, Wiemar's best friend, are no crime.
