Postcolonial Polysystems Haidee Kruger, 2012 *Postcolonial Polysystems* The Production and Reception of Translated Children s Literature in South Africa is an original and provocative contribution to the field of children s literature research

and translation studies It draws on a variety of methodologies to provide a perspective both product and process oriented on the ways in which translation contributes to the production of children s literature in South Africa with a special interest in language and power as well as post and neocolonial hybridity The book explores the forces that affect the use of translation in producing children s literature in various languages in South Africa and shows how some of these forces precipitate in the selection production and reception of translated children s books in Afrikaans and English It breaks new ground in its interrogation of aspects of translation theory within the multilingual and postcolonial context of South Africa as well as in its innovative experimental investigation of the reception of domesticating and foreignising strategies in translated picture books The book has won the 2013 EST Young Scholar Prize

International Perspectives on Education, Religion and Law
Charles J Russo, 2014-06-05 This volume examines the legal status of religion in education both public and non public in the United States and seven other nations It will stimulate further interest research and debate on comparative analyses on the role of religion in schools at a time when the place of religion is of vital interest in most parts of the world This interdisciplinary volume includes chapters by leading academicians and is designed to serve as a resource for researchers and educational practitioners providing readers with an enhanced awareness of strategies for addressing the role of religion in rapidly diversifying educational settings There is currently a paucity of books devoted solely to the topic written for interdisciplinary and international audiences involving educators and lawyers and this book will clarify the legal complexities and technical language among the law education and religion
