Before 30 (English Version) Philip Mantofa,Sianne Ribkah,2023-02-24 God has always used youth He has always called on the young to be witnesses of His glory This generation is no exception Before 30 is a riveting account of how the Lord Jesus touched the life of a young man Philip Mantofa delivered him from the depths of violence and depression and used him mightily as a chosen vessel of revival in Indonesia and Asia While Pastor Philip was still in his twenties a divine firebrand sparked city wide revivals which were noted for creating immediate and enduring impact particularly among young people More than 200 000 people experienced salvation while scores of youths were equipped and commissioned to pioneer thriving local churches Such a transforming anointing and influence can only arise from a life deeply rooted in Scripture and an intimate fellowship with the Holy Spirit Before 30 is evidence that God is able to raise young people to become standard bearers even for the older generation Theological Education Underground Victoria J. In February 1534 a radical group of Anabaptists gripped with apocalyptic fervor seized the city of M nster and established an idealistic communal government that quickly deteriorated into extreme inequality and theocratic totalitarianism In response troops hired by the city s prince bishop laid siege to the city Fifteen months later the besieged inhabitants were starving and in the dead of the night five men slipped out Separated from his fellow escapees Henry Gresbeck gambled with his life by

approaching enemy troops Taken prisoner he collaborated with the enemy to devise a plan to recapture Münster and later recorded the only eyewitness account of the Anabaptist kingdom of Münster Gresbeck's account which attempts to explain his role in the bizarre events disappeared into the archives and was largely ignored for centuries Before now Gresbeck's account was only available in a heavily edited German copy adapted from inferior manuscripts Christopher S Mackay who previously produced the only modern translation of the main Latin account of these events has adhered closely to Gresbeck's own words to produce the first complete and accurate English translation of this important primary source **Underground America**
