PAUL AND THE Thessalonians

The Philosophic
Tradition of
Pastoral Care

Abraham J. Malherbe

Paul and the Thessalonians Abraham J. Malherbe, 2011-08-01 This book deals with Paul s practice rather than his theology It especially traces the way in which Paul established a church in the important city of Thessalonica the capital city of the Roman province of Macedonia maintained contact with it in order to ensure its continuing nurture and instructed its members on how to care for one another Rather than simply organize a church Paul founded shaped and nurtured a community In so doing he was sensitive to the needs of individuals within the community who had committed themselves to new beliefs and a new way of life Paul was in fact engaged in pastoral care although he does not describe the enterprise in Paul and the Greco-Roman Philosophical Tradition Joseph R. Dodson, Andrew W. that manner from the Introduction Pitts, 2017-10-19 Paul and the Greco Roman Philosophical Tradition provides a fresh examination of the relationship of Greco Roman philosophy to Pauline Christianity It offers an in depth look at different approaches employed by scholars who draw upon philosophical settings in the ancient world to inform their understanding of Paul The volume houses an international team of scholars from a range of diverse traditions and backgrounds which opens up a platform for multiple voices from various corridors Consequently some of the chapters seek to establish new potential resonances with Paul and the Greco Roman philosophical tradition but others question such connections While a number of them propose radically new relationships between Paul and GrecoRoman philosophy a few seek to tweak or modulate current discussions There are arguments in the volume which are more technical and exegetical and others that remain more synthetic and theological This diversity however is accentuated by a goal shared by each author to further our understanding of Paul's relationship to and appropriation of Greco Roman philosophical traditions in his literary and missionary efforts **Paul as Pastor** Brian S. Rosner, Andrew S. Malone, Trevor J. Burke, 2017-11-30 Paul as Pastor demonstrates the critical nature of Paul s pastoral care to his identity and activities Despite the fact that Paul never identifies himself as a pastor there is much within the Pauline letters that alludes to this as a possible aspect of Paul's vocation and commitments and this has been a topic of relative scholarly neglect The contributors to this volume consider the household setting of Paul's pastoral practice the evidence of Acts and a survey of themes in each of the letters in the traditional Pauline corpus Additionally three chapters supply case studies of the Wirkungsgeschichte of Paul s pastoral practice in the pastoral offices of the Anglican Communion in the denomination's Ordinal and in the lives and thought of Augustine of Hippo and George Whitfield As such Paul as Pastor provides a stimulating resource on a neglected and critical dimension of Paul and his letters and an invaluable tool for those in pastoral ministry and those responsible for their training Paul and the Popular Philosophers Abraham J. Malherbe, 2006-02-01 These studies continue a tradition of scholarship that flourished around the turn of the century when new editions of ancient philosophical sources were published Professor Malherbe however widens the scope to include other philosophical traditions He recognizes and identifies the influences of Platonists Peripatetics Cynics Stoics Epicureans and

Pythagoreans These popular philosophers aimed at moral reform they shared both in their substance and in the techniques employed Yet they need to be distinguished in order to discern their influence if any on Paul The Eschatology of First Thessalonians David Luckensmeyer, 2013-03-06 David Luckensmeyer gelingt durch die Untersuchung der eschatologischen Motive ein hervorragender Zugang zum ersten Thessalonicherbrief Er analysiert die grundlegenden Richtungen des enthaltenen Diskurses erstmalig und verdeutlicht sowohl die Rhetorik wie auch die Briefstruktur des 1 Briefes an die Thessalonicher Durch diese Zugangsweise lassen sich die verschiedenen eschatologischen Motive als Teil einer systematischen Aufforderung des Verfassers an eine Gemeinde verstehen die einen Konflikt zu bestehen hat Luckensmeyer verdeutlicht die Eschatologie als den besten hermeneutischen Schl ssel um die systematischen Aspekte des Briefes zu interpretieren Es besteht kein Zweifel Eschatologische Motive sind im berfluss vorhanden etwa in 1 9 10 2 13 16 4 13 18 oder 5 1 11 Der Frage auf welche Weise diese Motive die Absichten des Paulus in seinem Schreiben verdeutlichen widmet sich Luckensmeyer ganz besonders Paulus kann verst ndlich machen warum die Thessalonicher im Konflikt leben und sie zugleich zu einem neuen Verst ndnis von Gemeinde ermutigen Die ausf hrliche Bibliographie gibt einen guten berblick ber die neueste Sekund rliteratur und verschiedene Register erleichtern den Zugang Paul's Emotional Regime Ian Y. S. Jew, 2020-10-15 In his letters Paul speaks often of his emotions and also promotes certain feelings while banishing others This indicates that for Paul emotion is vital However in New Testament studies the study of emotions is still nascent current research in the social sciences highlights its cognitive and social dimensions Ian Y S Jew combines rigorous social scientific analysis and exegetical enquiry to argue that emotions are intrinsic to the formation of the Pauline communities as they encode belief structures and influence patterns of social experience By taking joy in Philippians and grief in 1 Thessalonians as representative emotions and contrasting Paul's approach with that of his Stoic contemporaries Jew demonstrates that authorized feelings have socially integrating and differentiating functions by reinforcing the shared theological realities upon which emotional norms are based group belonging is bolstered Simultaneously authorized emotions fortify the theological boundaries between Christians and others which strengthens group solidarity in the Church by accentuating its members insider status Using this framework heuristically Jew explores how the interplay of symbolic ritual and social elements within Paul s eschatological worldview reinforces emotional norms and demonstrates that attention to emotion can only deepen our understanding of the social formation of the early believers **Eerdmans Commentary on the Bible: Isaiah** Margaret Barker, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Barker's introduction to and concise commentary on Isaiah The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical

Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight
