Bible Stories & Crafts: New Testament Mary Tucker, 2007-01-10 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity. *Memory Maker Bible Crafts* David C Cook Publishing Company, 2008-06 Bible FUNstuff resource book with 26 crafts that correlates to BIL curriculum Sept 08 through June 09. Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin, 2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul's response in his letter. The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul. It demonstrates the pervasiveness of the theme of disunity in most sections of the letter. The second part correlates these findings with sections of the letter dealing with the Philippians' financial support for Paul. It treats such topics as Paul's attitude to money and the sociological composition of the church. The book's aim is to draw attention to social and non-theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians.

Exhaling the Gospel of Jesus Christ Dan Allen, 2014-09-30 A book to help Christians create a culture of evangelism as they are instructed and challenged to share their faith with the divine appointments of family, friends, co-workers, neighbors, and others. **Greed and the Dark Powers in Luke-Acts** Michael Blythe, 2025-07-14 Greed and the Dark Powers in Luke Acts invites readers into a fascinating exploration of how greed functions as a spiritual weapon wielded by oppressive powers. Blythe reveals how greed is not merely a personal sin but a force of systemic exploitation and spiritual corruption. Through vivid episodes, the book uncovers a cosmic struggle between the forces of good and evil, generosity and greed, liberation and oppression. Blythe's compelling analysis calls contemporary readers and communities of faith to resist greed's seductive powers by embodying economic justice and generosity while confronting oppressive systems. Insightful, timely, and provocative, this study equips readers to recognize and resist the spiritual dynamics of greed, empowering the church to confront darkness and embody Christ's victory to the ends of the earth. **The Reference Passage Bible New Testament**, 1902

Evangelism in a Skeptical World Sam Chan, 2018-03-13 Many of the old methods of evangelism no longer work effectively today. We need new methods to communicate the timeless message of the gospel in culturally relevant ways. In a post-Christian, post-church, post-reached world, most Christians have been poorly equipped to tell their friends about Jesus. Dr. Chan combines the theological and biblical insights of classic evangelistic training with his own and hard-won insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry across the globe. These are methods that really work with university students, urban workers, and professionals getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this

book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus
