Directions: One of the exits of a Senior High School student is to find a job. If you were in the following situation, what will be your decision? Justify. Write your answer on a separate sheet of paper.

Situation: You were hired as a Maintenance Officer in a prestigious hotel in the city, and one of your duties is to keep the linens in the hotel rooms without any smudge nor stain. However, you are allergic to bleaches. The hotel is the nearest work area to your home and it is just a stone's throw away. You do not have budget for transportation to transfer to another hotel, the nearest one takes a 2-hour travel from your home. You needed the job badly to sustain the medicines of your mother who is sick and bed-ridden.

What will be your course of action? Explain briefly.

Activity 1.1
