Sales Force Management 10th Edition:

Sales Force Management Joseph F. Hair, Jr., Rolph Anderson, Rajiv Mehta, Barry Babin, 2020-09-16 The second edition of *Sales Force Management* prepares students for professional success in the field. Focused on the areas of customer loyalty, customer relationship management, and sales technology, this practical resource integrates selling and sales management while highlighting the importance of teamwork in any sales and marketing organization. The text presents core concepts using a comprehensive pedagogical framework featuring real world case studies, illustrative examples, and innovative exercises designed to facilitate a deeper understanding of sales management challenges and to develop stronger sales management skills. Supported with a variety of essential ancillary resources for instructors and students, *Sales Force Management* 2nd Edition includes digital multimedia PowerPoints for each chapter, equipped with voice over recordings ideal for both distance and in person learning. Additional assets include the instructor's manual, computerized and printable test banks, and a student companion site filled with glossaries, flash cards, crossword puzzles for reviewing key terms, and more. Integrating theoretical, analytical, and pragmatic approaches to sales management, the text offers balanced coverage of a diverse range of sales concepts, issues, and activities. This fully updated edition addresses the responsibilities central to managing sales people across multiple channels and through a variety of methods. Organized into four parts, the text provides an overview of personal selling and sales management, discusses planning, organizing, and developing the sales force, examines managing and directing sales force activities, and explains effective methods for controlling and evaluating sales force performance.

Sales Force Management Mark W. Johnston, Greg W. Marshall, 2013-05-02 In this latest edition of *Sales Force Management*, Mark Johnston and Greg Marshall continue to build on the tradition of excellence established by Churchill Ford and Walker, solidifying the book's position globally as the leading textbook in the field. It's a contemporary classic, fully updated for modern sales management practice. Including the Churchill Ford and Walker approach, the new edition also features a strong focus on leadership, technology, innovation, ethics, and global business. New material integrated throughout the book on multifaceted sales communication approaches, leadership, and the relationship between the marketing and sales functions. Continued partnership with HR Chally, a global sales consultancy that supplies cutting edge data for each chapter, allowing students to benefit from understanding and working with real world applications of current sales force challenges. Enhanced learning features such as short and long cases to stimulate discussion, leadership challenges to assess students' ability to make decisions, role plays to allow students to learn by doing, and more.
