- Introductory paragraph (required) & Draft #2 due (optional): Thursday, May 29, by class
- Final Revision due: Tuesday, June 3, by class

Paper Format: 2800+ words; 1.5 spacing; separate title page including name, title, and date; page numbers; in-text citations and works cited in MLA form; 1" margins; visual evidence (as appropriate) with captions.

Submission Format: Electronic posting of all materials to your student portfolio as they are due (this includes title pages, reflective memos, abstracts, works cited as they are due).

Grading: This assignment is worth 35% of the overall class grade.

Recommended *Envision* reading: Chapters 6 & 7

ASSIGNMENT GOALS

This assignment has three interrelated goals:

1. To ask you to take on a sophisticated research project, working with both primary and secondary sources, on a subject related to the intersection of gender and technology.
2. To encourage you to develop skills in delivering complex research effectively in written form.
3. To help you develop skills in presenting a powerful and articulate argument about a topic, using evidence to substantiate your claims.

DETAILED ASSIGNMENT

All PWR 2 students are required to complete an extended piece of academically rigorous research writing, designed to reinforce the skills learned in PWR: research strategies; deliberate use of rhetoric; clear and forceful argumentation.

Your research paper should include an **argumentative thesis** that represents your own claims about your topic. This thesis should be supported by evidence derived from both primary and secondary research. You should utilize at least 12 sources and, as applicable, fieldwork (interviews, surveys, etc.) -- in many cases, you

[The Inspiration of Scripture](#) Billy Prewitt, It has been said that the Church spends more time bickering over doctrine than winning souls yet without sound doctrine the Apostle Paul tells us that the body of Christ will be tossed to and fro and carried about with every wind of doctrine by the sleight of men and cunning craftiness whereby they lie in wait to deceive How important is the doctrine of the Inspiration of Scripture In The Inspiration of Scripture Billy Prewitt unlocks the

powerful doctrine that churches all over the world list as the first item in their statements of beliefs In this concise book you will learn the real meaning of inspiration inerrancy and infallibility what the Bible says about itself the value of the Bible for believers and the Church great ways to instruct believers and evangelism tools for reaching unbelievers In addition you will explore controversial questions raised by skeptics such as supposed manuscript disagreements and see how the Bible itself exposes errors in the opinions of scholars such as the claim that doctrine cannot be formed from narrative texts Some say they read the Bible for inspiration yet the Bible is far more than a book to make you feel good when you are down Rather it is more like a sword that cuts to the very core of the human heart How is reading a book with black and red letters inked on its pages able to translate a person from the kingdom of darkness to the kingdom of light In The Inspiration of Scripture the power underneath the black and red letters is unleashed and you will see for yourself how vital this doctrine is to your survival as a Christian

Teaching Arguments Jennifer Fletcher, 2023-10-10 No matter where students live after graduation one of the most essential tools we can teach them is how to comprehend analyze and respond to arguments Students need to know how writers and speakers' choices are shaped by elements of the rhetorical situation including audience occasion and purpose In Teaching Arguments Rhetorical Comprehension Critique and Response Jennifer Fletcher provides teachers with engaging classroom activities writing prompts graphic organizers and student samples to help students at all levels read write listen speak and think rhetorically Fletcher believes that with appropriate scaffolding and encouragement all students can learn a rhetorical approach to argument and gain access to rigorous academic content Teaching Arguments opens the door and helps them pay closer attention to the acts of meaning around them to notice persuasive strategies that might not be apparent at first glance When we analyze and develop arguments we have to consider more than just the printed words on the page We have to evaluate multiple perspectives the tension between belief and doubt the interplay of reason character and emotion the dynamics of occasion audience and purpose and how our own identities shape what we read and write Rhetoric teaches us how to do these things Teaching Arguments will help students learn to move beyond a superficial response to texts so they can analyze and craft sophisticated persuasive arguments a major cornerstone for being not just college and career ready but ready for the challenges of the world
