

ESSAY QUESTION 1:

Describe the scene and the people in the spectator stands as they wait for an anticipated sporting event at your school.

There was **pandemonium**. **Unintelligible** screams reverberated through the **decrepit** stadium, **stemming** from the sea of students in red, blue, green and yellow in the stands as they yelled themselves hoarse, trying to win the cheering competition. The **segregation** was distinct. Every single student was clearly defensive of their **respective** houses. **Zesty** enthusiasm was pouring forth from the **fervent** supporters. Beads of perspiration formed on many foreheads and backs; the heat was **intensified** by the stale air around the students and the close **proximity** of their peers. Despite the discomfort, emotions ran high as the crowd **belted** out cheer after cheer whilst stamping their feet on the grainy floor in rhythm to the **uproarious** clamour. None was to be outdone by the other. All this while, **humongous** banners and flags of the respective house colours filled the pillars in the stadium. The flags were being swung at **breakneck** speed by a few individuals, their faces **contorted** in concentration as these flag bearers struggled to keep steady under the **wearisome** weight of the bulky items they held.

The cheering weakened and gradually died down, enveloping the stadium in silence as the **prolonged** wait caused the crowd to feel **exasperated**, with seemingly nothing to look forward to as they faced the empty pitch. Soon, murmuring and exasperation at the
