Supremely Good Doug Hallman,2021-02-19 When asked what they know about the Bible most people will tell you that David killed Goliath Sampson got a haircut Adam and Eve eat the apple and Jesus was born in Bethlehem on Christmas morning The Bible is filled with interesting fascinating and inspiring stories but there is a theme running through the pages of the Bible that most people miss There are foundational ideas that describe God s relationship with humanity What is God prepared to do for us What does God want from us These foundational texts are found throughout both the Old and New Testaments and paint a wonderful hopeful picture of how God intends our life to be Historical Handbook of Major Biblical Interpreters Donald K. Biblical Verse Paul G. Remley,1996-06-28 An extended study of the Old Testament poems of the Junius collection as a group

Prophetic Figures of the Old Testament Nyamayabo Mashavakure,2014-12-22 There is nothing particularly new or unique about the subject matter of Prophetic Figures of the Old Testament In fact greater authorities have covered it better many times before and this endeavour is hugely reliant upon and indebted to these great minds for this current work The hope is that readers can enjoy more of what they have already had from many different quarters presented through a different hand It is also the hope that beginning learners of divinity or biblical studies can find this book greatly enjoyable and inspiring In the main the prophetic figures represented in the wording of the book title certainly refer to persons called

or identifiable as prophets in the Bible But this is also extended to include some objects occurrences and places that prophets may have encountered and even made use of in the performance of their prophetic duties The interplay of these and the prophet is generally taken to signify the comprehensiveness or completeness of prophecy in this book The reader is invited to interrogate the relationship of the prophet and this environment in order to enjoy more fully the religious historical political intellectual and inspirational aspects one goes through in respect of the issues selected and commented on The reader is encouraged to think beyond what one reads Any statement or comment is not meant to be some kind of definitive prescription but is meant to arouse thought and more thought More important readers should always be in constant contact with the origin of the materials spoken about in this book that is the Bible There is obviously no way in which selective consideration of items picked on a rather random personal subjective basis can replace the source from which these are originally taken Reading of Prophetic Figures of the Old Testament should therefore always depend on knowledge of or familiarity with the background information provided in the Bible

Philips Long,Tremper Longman III,2003-09-30

In this much anticipated textbook three respected biblical scholars have written a history of ancient Israel that takes the biblical text seriously as an historical document While also considering nonbiblical sources and being attentive to what disciplines like archaeology anthropology and sociology suggest about the past the authors do so within the context and paradigm of the Old Testament canon which is held as the primary document for reconstructing Israel's history In Part One the authors set the volume in context and review past and current scholarly debate about learning Israel's history negating arguments against using the Bible as the central source In Part Two they seek to retell the history itself with an eye to all the factors explored in Part One *A Handbook of Biblical Reception in Jewish, European Christian, and Islamic Folklores* Eric Ziolkowski,2017-08-21 This first volume of a two volume Handbook treats a challenging largely neglected subject at the crossroads of several academic fields biblical studies reception history of the Bible and folklore studies or folkloristics The Handbook examines the reception of the Bible in verbal folklores of different cultures around the globe This first volume

complete with a general Introduction focuses on biblically derived characters tales motifs and other elements in Jewish Mizrahi Sephardi Ashkenazi Romance French Romanian German Nordic Scandinavian British Irish Slavic East West South and Islamic folkloric traditions The volume contributes to the understanding of the Hebrew Bible Old Testament the New Testament and various pseudepigraphic and apocryphal scriptures and to their interpretation and elaboration by folk commentators of different faiths The book also illuminates the development artistry and migration of folktales opens new areas for investigation in the reception history of the Bible and offers insights into the popular dimensions of Jewish Christian and Muslim communities around the globe especially regarding how the holy scriptures have informed those communities popular imaginations

The New Schaff-Herzog Encyclopedia of Religious Knowledge Johann Jakob Herzog, Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1910 The biblical concept of the 'Davidic Covenant' in 2 Samuel and Ezekiel and its implications for African leadership Victor Lonu Budha, 2023-10-30

Scholars have offered insight into the Davidic Covenant and the future hope for Israel However their works up to this point have overlooked a detailed influence of 2 Samuel 7 on Ezekiel 34 and 37 Therefore reading the text of Ezekiel in relation to the original form of the Davidic Covenant may reveal further indications of the literary theological and conceptual influence of 2 Samuel 7 and the help it provides in understanding the function of the promised ruler in Ezekiel 34 and 37 An intertextual approach proves to be relevant to establishing this influence The intertextual approach used for the exegesis in this book establishes how biblical books are connected and proves the influence of the text of 2 Samuel on that of Ezekiel 34 and 37 The study of 2 Samuel 7 in relation to the Davidic Covenant underscores God's faithfulness and concern for his people Godly leadership is the kind of leadership that God desires for his people Looking closely at the Davidic Covenant and God's promises in Ezekiel's text we can see that they encompass important implications for African leadership
