Obama And The New Left In Latin America:

The Obama Doctrine in the Americas Hanna Samir Kassab, Jonathan D. Rosen, 2016-02-04 This volume examines the foreign policy transition from George W Bush to Barack H Obama in relation to the countries of the Americas In this work contributors consider the major defining features of their respective policies in dealing with security related issues Specifically they examine whether major differences or continuities truly exist between the foreign policies of Bush and Obama especially given the perception of American decline The volume highlights Obama s foreign policy in the Americas focusing on issue areas that threaten international security such as drug trafficking organized crime and terrorism This work provides both theoretical and policy insights for academics and policy analysts interested in foreign affairs Obama and the New Left in Latin America Clara Nieto, 2015-01-08 Obama and the New Left in Latin America is a political radiogram of the transformations that have taken place in Latin America over the past decade with a particular focus on the region s fraught relations with the United States Colombian journalist Clara Nieto reflects with seasoned acuity on the new ideological movements sweeping through Brazil Venezuela Ecuador Bolivia and Argentina as well as the evolving political landscape in her own country as it transitions from the militaristic Ivano Uribe government to peace negotiations under President Juan Manuel Santos This book delves into the political ascendance of Barack Obama and his impact on hemispheric relations Obama and the New Left in Latin America will serve as an essential guide to understanding the region s geopolitical landscape for years to come *Obama's Unending Wars* Jeremy Kuzmarov, 2019-07-20 Many academics consider Obama to have been a master foreign policy strategist and shrewd practitioner of the art of realpolitik This book demonstrates however that Obama in reality helped to institutionalize a permanent warfare state that resulted in gross human rights violations and contributed to America s strategic decline His perpetuation of the War on Terror created more enemies and prompted the United States to lose influence in the Middle East His Pivot to Asia policy intensified prospects for regional war while his unnecessary and willful military intervention destroyed Libya and drew the Russians in to protect Bashar al Assad who won Syria s civil war The Obama administration s heavy handed interference in Ukraine led to effective Russian counter moves promoting a strategic alliance with China and regional integration that is moving the world towards multi polarity Obama s Unending Wars provides the first critical comprehensive and highly documented history of the foreign policy of America s forty fourth president the drone king who ordered the bombing of seven Muslim countries backtracked on a pledge to reduce America s nuclear arsenal and helped fuel a new Cold War with Russia During his years in office Obama provided billions of dollars in arms sales to Saudi Arabia as it assisted in the crushing of pro democracy demonstrators in Bahrain and invaded Yemen He sanctioned a coup in Honduras which plunged that country into chaos perpetuated a failed drug war policy and contributed to the recolonization of Africa While any Democratic Party president would have faced peril in confronting the Pentagon which had carried out a slow coup d etat over the decades Obama was rather in many ways the most perfect

spokesman for the military industrial complex Who else but this articulate constitutional law professor could pull off a pro war speech after winning the Nobel Peace Prize while ramping up drone assassinations and America's network of military bases in Africa and still retain the support of liberal progressives As many in the time of Trump now glance nostalgically back to the Obama presidency this book will help them to see the continuity and continuous failure of American foreign policy irrespective of the party or figurehead representing it

Right-Wing Politics in the New Latin America Francisco

Dominguez, Doctor Geraldine Lievesley, Steve Ludlam, 2011-11-10 The focus for students of Latin America in the past decade has been on the political forces of the left and the so called pink tide presidencies attempting to bring about social and economic change in the region However there has been far less attention paid to the rightwing political forces resisting such change Such opposition is being orchestrated by political parties business the private media and other social and cultural institutions and is linked to the soft power of US diplomacy In recent years its activities have often appeared to challenge the democratic process itself Based on a variety of original fieldwork and evidence this volume addresses the current trajectories of rightwing politics in Latin America in the face of leftist governments the discrediting of neoliberalism and the decline of US hegemony It includes chapters on US policy towards Latin America the role of US based think tanks the influence of transnational business and of the private media as well as offering country specific chapters on key states with rightwing governments and on opposition to left of centre governments in Venezuela Bolivia Cuba Brazil Paraguay Argentina and Chile A revealing and important book for anyone interested in contemporary Latin American politics

US Power in Latin

America Rubrick Biegon, 2017-04-21 An original account of contemporary US Latin American relations this book utilises neo Gramscian and historical materialist approaches to build a novel conceptual framework for analysing US hegemony extending critical theory in new and exciting directions It disaggregates US power into distinct forms structural coercive institutional and ideological to convincingly argue that the United States is remaking its hegemony in the Western hemisphere The first decade of the new century saw the ascendancy of leftist and centre left forces in Latin America The emergence and consolidation of the New Latin Left signalled a profound challenge to the long standing hegemony of the United States in the region This book details the ways in which US foreign policy responded defining hegemony as a dialectical relationship patterned by multiple and overlapping forms of power it situates US policy in the context of the Post Washington Consensus Making considerable use of confidential diplomatic cables published by Wikileaks it examines the interplay of different facets of US hegemony which are inextricably bound up in the neoliberalisation of the region's political economy This book brings clarity to what remains an open and contested process of hegemonic reconstitution and promises to be of interest to scholars working in a number of overlapping subject areas including International Relations IR US foreign policy and Latin American studies

21st Century Democracy Promotion in the Americas Jorge Heine, Brigitte

Weiffen, 2014-09-19 This volume examines the promotion and defense of democracy in the Americas Taking the Inter

American Democratic Charter IADC of 2001 as a baseline it charts the evolution of the issue over the past decade Although it considers historical antecedents the main focus of the book is on key instances of promotion and defense of democracy in the Western hemisphere since the adoption of the IADC It analyzes democratic norms norm enforcement mechanisms and how they work in practice Special attention is paid to the 2009 Honduras coup the issues raised by it and the debates that surrounded it as this was the first instance in which a member state was suspended in accordance with the IADC Three central themes guide the analysis the nature of challenges to democracy in Latin America the role of regional organizations as democracy promoters and the transformation of Inter American relations The book unveils the key achievements and limitations of the OAS in the field and will be of great interest to students and scholars of democratization US Latin American relations international relations of Latin America and international organizations Politics Latin America Gavin O'Toole,2014-05-12 This is a volume which will become invaluable to those attempting to guide the neophyte through the maze of politics in Latin America Journal of Latin American Studies Politics Latin America examines the role of Latin America in the world and its importance to the study of politics with particular emphasis on the institutions and processes that exist to guarantee democracy and the forces that threaten to compromise it Now in its second edition and fully revised to reflect recent developments in the region Politics Latin America provides students and teachers with an accessible overview of the region s unique political and economic landscape covering every aspect of governance in its 21 countries The book examines the international relations of Latin American states as they seek to carve out a role in an increasingly globalised world and will be an ideal introduction for undergraduate courses in Latin American politics and comparative politics **Diary of a Heartland Radical** Harry R. Targ,2011 **The FBI in Latin America** Marc Becker,2017-08-17 During the Second World War the FDR administration placed the FBI in charge of political surveillance in Latin America Through a program called the Special Intelligence Service SIS 700 agents were assigned to combat Nazi influence in Mexico Brazil Chile and Argentina The SIS s mission however extended beyond countries with significant German populations or Nazi spy rings As evidence of the SIS s overreach forty five agents were dispatched to Ecuador a country without any German espionage networks Furthermore by 1943 FBI director J Edgar Hoover shifted the SIS s focus from Nazism to communism Marc Becker interrogates a trove of FBI documents from its Ecuador mission to uncover the history and purpose of the SIS s intervention in Latin America and for the light they shed on leftist organizing efforts in Latin America Ultimately the FBI s activities reveal the sustained nature of US imperial ambitions in the Americas *The Utopian Impulse in Latin America* K. Beauchesne,A. Santos,2011-10-24 An exploration of the concept of utopia in Latin America from the earliest accounts of the New World to current cultural production the carefully selected essays in this volume represent the latest research on the topic by some of the most important Latin Americanists working in North American academia today **Latin America's Turbulent Transitions** Roger Burbach,Michael Fox,Federico Fuentes,2013-02-14 Over the past few years something remarkable has

occurred in Latin America For the first time since the Sandinista Revolution in Nicaragua in the 1980s people within the region have turned toward radical left governments specifically in Venezuela Bolivia and Ecuador Why has this profound shift taken place and how does this new so called Twenty First Century Socialism actually manifest itself What are we to make of the often fraught relationship between the social movements and governments in these countries and do in fact the latter even qualify as socialist in reality These are the bold and critical questions that Latin America's Turbulent Transitions explores The authors provocatively argue that although US hegemony in the region is on the wane the traditional socialist project is also declining and something new is emerging Going beyond simple conceptions of the left the book reveals the true underpinnings of this powerful transformative and yet also complicated and contradictory process *China - Latin America Relations* Liu Weiguang Wu Baiyi, Cai Tongchang, 2012-03-01 This key publication takes an in depth look at the hugely significant and evolving relationship between China and the nations of Latin America from a Chinese perspective With their historical links and relationships and more recently with China and Brazil's partnership within BRICS Latin American nations have played an important part in China's transformation Written by China's leading Latin America specialists and advisors it offers a unique insight into China's relations with Latin American nations including Brazil Argentina Mexico Chile and Venezuela **Modern Latin America** Peter Smith, 2025-10-15 Now thoroughly updated in its tenth edition Modern Latin America is a vivid interpretive history and a leading interdisciplinary text in the field **The Rhetoric of Heroic Expectations** Justin S. Vaughn, Jennifer Mercieca, 2014-02-15 Campaign rhetoric helps candidates to get elected but its effects last well beyond the counting of the ballots this was perhaps never truer than in Barack Obama's 2008 campaign Did Obama create such high expectations that they actually hindered his ability to enact his agenda Should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard The Rhetoric of Heroic Expectations Establishing the Obama Presidency grapples with these and other important questions Barack Obama's election seemed to many to fulfill Martin Luther King Jr's vision of the long arc of the moral universe bending toward justice And after the terrorism war and economic downturn of the previous decade candidate Obama's rhetoric cast broad visions of a change in the direction of American life In these and other ways the election of 2008 presented an especially strong example of creating expectations that would shape the public's views of the incoming administration The public's high expectations in turn become a part of any president's burden upon assuming office The interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens institutional burdens specific to the office of the presidency contextual burdens specific to the historical moment within which the president assumes office and personal burdens specific to the individual who becomes president *A History of the Cuban Revolution* Aviva Chomsky, 2015-02-02 A fully revised and updated new edition of a concise and insightful socio historical analysis of the Cuban revolution and the course it took over five and a half decades Now available in a fully revised second edition including new material to add to

the book's coverage of Cuba over the past decade under Raul Castro. All of the existing chapters have been updated to reflect recent scholarship. Balances social and historical insight into the revolution with economic and political analysis extending into the twenty-first century. Juxtaposes U.S. and Cuban perspectives on the historical impact of the revolution, engaging and debunking the myths and preconceptions surrounding one of the most formative political events of the twentieth century. Incorporates more student-friendly features such as a timeline and glossary.

Rhetorics of Democracy in the Americas
Adriana Angel, Michael L. Butterworth, Nancy R. Gómez, 2021-02-26

Democracy is venerated in US political culture in part because it is our democracy. As a result, we assume that the government and institutions of the United States represent the true and right form of democracy needed by all. This volume challenges this commonplace belief by putting US politics in the context of the Americas more broadly. Seeking to cultivate conversations among and between the hemispheres, this collection examines local political rhetorics across the Americas. The contributors, scholars of communication from both North and South America, recognize democratic ideals as irreducible to a single national perspective and reflect on the ways social minorities in the Western Hemisphere engage in unique political discourses. The essays consider current rhetorics in the United States on American exceptionalism, immigration, citizenship, and land rights alongside current cultural and political events in Latin America such as corruption in Guatemala, women's activism in Ciudad Juárez, representation in Venezuela, and media bias in Brazil. Through a survey of these rhetorics, this volume provides a broad analysis of democracy. It highlights institutional and cultural differences in the Americas and presents a hemispheric democracy that is both more pluralistic and more agonistic than what is believed about the system in the United States. In addition to the editors, the contributors include Jos Cortez, Lindsay M. Cramer, Pamela Flores, Alberto González, Amy N. Heuman, Christa J. Olson, Carlos Piovezani, Clara Eugenia Rojas Blanco, Abraham Romney, Ren Agustín de los Santos, and Alejandra Vitale.

Cities and Economic Inequality in Latin America
Lena Simet, 2022-04-19

This book examines trends and determinants of economic inequality in cities in Latin America, the world's most unequal region. It explores how the gap between the haves and the have-nots manifests in every part of urban life, from housing to schooling to employment. It asks why some cities have higher inequality than others and what we can learn from these differences as we push back against inequality. The book starts with reviewing the policies and forces that explain the rise and fall of inequality in Latin America since the 1990s and why progress in reducing inequality has stalled. It then focuses on Argentina's cities and applies a set of quantitative tools to identify inequality determinants. It finds that intra-urban inequality generally mirrors national-level trends but local idiosyncrasies related to a city's labor market, informal employment, and social protection systems matter. The book discusses the pitfalls of privatizing public services that turned access to water in metropolitan Buenos Aires more unequal. It explores the promises and unintended consequences of slum upgrading initiatives in Buenos Aires Villa 20. The book presents lessons that can inform policies and practices in the region and beyond. Developing a strategy against inequality that incorporates local features and resists the

temptation to rely on the free market for solutions to urban problems offers a powerful opportunity Drawing from the field of economics and social and urban policy this book shows that the battle against inequality is not only won and lost in cities but also requires a uniquely public and urban response As such it will be of interest to advanced students researchers and policymakers across development economics urban studies and Latin American studies **Understanding U.S.-Latin**

American Relations Mark Eric Williams,2012-05-22 This book examines U S Latin American relations from an historical contemporary and theoretical perspective By drawing examples from the distant and more recent past and interweaving history with theory Williams illustrates the enduring principles of International Relations theory and provides students the conceptual tools required to make sense of inter American relations It is a masterful guide for how to organize facts think systematically about issues weigh competing explanations and confidently draw your own conclusions regarding the past present and future of international politics in the region China-US Rivalry and Regional Reordering in Latin America and the Caribbean Li Xing,Javier Vadell,2024-03-29 This book provides a comprehensive conceptual and analytical framework for understanding the reordering process in the Latin American and Caribbean LAC region driven and shaped by China US rivalry It demonstrates the differences between China US China LAC and US LAC relations and questions to what extent the LAC region can be considered a unified actor Exploring broad perspectives such as global governance international institutions trade security policy climate change multilateralism and regional and global peace and stability the contributors also consider China s Belt and Road Initiative the Community of Latin American and Caribbean States CELAC and minilateral cooperation sustainable development and business and the role of soft power such as tourism and education in China LAC relations This timely and important contribution analyzing the changing regional order in the LAC region brought about by China s global rise and increasing hegemonic competition with the US will appeal to scholars and student of international relations international political economy and security studies *The United States and Latin America* Jeffrey Taffet,Dustin Walcher,2017-04-21 The United States and Latin America presents a complex and dynamic view of the relationship between the United States and Latin America Through a combination of targeted thematic chapters and a range of freshly translated documents Jeffrey F Taffet and Dustin Walcher illuminate the historical continuities and conflicts that have defined the vital relationship Giving equal weight to Latin American and United States voices this text provides an essential collection of primary sources for students and scholars and is an indispensable touchstone for anyone interested in the histories of the United States and Latin America

Obama And The New Left In Latin America Introduction

In today's digital age, the availability of Obama And The New Left In Latin America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obama And The New Left In Latin America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obama And The New Left In Latin America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obama And The New Left In Latin America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Obama And The New Left In Latin America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obama And The New Left In Latin America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obama And The New Left In Latin America books and

manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obama And The New Left In Latin America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obama And The New Left In Latin America books and manuals for download and embark on your journey of knowledge?

FAQs About Obama And The New Left In Latin America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
